

25 & 50 Yard Pistol Range Firearms & Cartridges

All firearms using .22 Rimfire ammunition (rifle and pistol) may be used on the 25 & 50 yard pistol range. Muzzle-loading firearms (rifle & pistol) and slug-projectile shotguns may be used on the 25 & 50 yard pistol range.

The following cartridges may be used on the 25 & 50 Yard Pistol Range in semi-automatic pistols and revolvers ONLY. A 'pistol' is defined as a firearm with NO shoulder stock AND a barrel length of less than 16 inches. Rifles using traditional 'PISTOL' ammunition CAN be used on the 25 & 50 Yard Pistol Ranges.
