

7 Yard Pistol Range Snail Trap Firearms & Cartridges

All firearms using .22 Rimfire ammunition (rifle and pistol) may be used on the 7 yard pistol range snail trap.

The following cartridges may be used on the 7 Yard Pistol Range Snail Trap in semi-automatic pistols and revolvers ONLY. A 'pistol' is defined as a firearm with NO shoulder stock AND a barrel length of less than 16 inches. Rifles using traditional 'Pistol' ammunition are NOT to be used on the 7 Yard Pistol Range Snail Trap.

Allowable Cartridges for use in the Snail Trap on the 7 Yard Range
