2025 Membership Renewals & Gate Card Activation

Our 2025 membership renewal notices were mailed out last October and a second notice was sent out recently to those that haven't renewed yet. Thank you to all who have already renewed your memberships. For those of you who still need to renew, you have a couple options:

- mail in your renewal application and payment to 10801 S 134th St, Bennet, NE 68317, or
- renew your 2025 membership online by going to our website at www.lincolnikes.com, then click "**Member Login**", which is on the green ribbon just underneath the large photo up top.

By renewing your membership, you have agreed to abide by our range rules established to maintain proper firearm range safety and procedures.

If you have not renewed yet, your gate card has been deactivated. Reactivation of your gate card may take up to a week. Your 2025 range cards are mailed out after we process your renewal applications and payments. If you have any questions regarding your renewal, please contact Natalie or Wes. Thank you!

Please note that the membership dues for 2025 are as follows for REGULAR members (for family, student, and life members, please see your renewal notices for your membership dues total or call our office for these different amounts): \$195 for rifle & pistol range access, \$170 for trap range access, or \$235 for all ranges (rifle/pistol and trap). As always, our memberships run for the full 2025 calendar year (January 1st - December 31st), *starting when you renew.*

Volunteers Needed

We need more volunteers during our busy ECTC trap meets as noted above (March 15th, April 5th, and April 26th). If you are willing and available or would just like to discuss this further for more details, please contact our Trap Chairman Dave Tunink at dtunink1971@gmail.com. These trap meets usually require volunteers from 7:00 a.m. until they are finished, which can be mid to late afternoon. Thank you for considering.

Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors! Send to lincikesnews@gmail.com!

Youth Trap Teams Practicing on the Trap Ranges

We currently have six junior and senior high school trap teams that use our trap ranges for their scheduled practice sessions. These begin in February and run through April 30th. Therefore, the trap ranges will be closed for these team practices for the following days during the following times:

Sundays:	12:00 noon – 4:30 p.m. (2 traps only)
Mondays:	3:00 – 6:30 p.m. (all traps)
Tuesdays:	4:00 – 6:30 p.m. (all traps)
Wednesdays:	3:00 – 6:30 p.m. (all traps)
Thursdays:	4:00 – 6:30 p.m. (all traps)
Fridays:	4:30 – 7:00 p.m. (5 traps)
Saturdays:	12:30 – 3:00 p.m. (3 traps)

The following are 2025 ECTC meets held at our Lincoln Ikes and usually run most of the day:

March 15th
April 5th
April 26th

The trap range will be closed during these meets until they are completed. Good luck to all our youth trapshooters!

Rifle/Pistol Range Members' Guests Procedure

Any member that is caught on the range with an unpaid guest or guests will be required to pay a \$50 fine per guest plus the \$10 guest pass fee per guest.

If you are a current year's rifle/pistol range member and bring any guest(s) to the rifle/pistol ranges, make sure you complete the following steps:

- Complete a guest pass for each of your guests and pay the \$10 guest pass fee **BEFORE ENTERING THE RANGES.**
- Stay with your guests and supervise them **at all times.**
- No lending out your cards.
- If you are a Regular member, you may bring your spouse and your children under the age of 25 and any other youth through the age of 19 without a guest pass.
- A Family membership **DOES NOT** mean that the children of the two designated members can come out without one of the designated members (this applies for trap members as well).

We have great cameras now that are recording all areas. Those with guests that are not paying and completing the guest passes are losing their memberships and with the new guest pass policy, the member will be required to pay a hefty fee if caught not abiding by this rule. **Please don't risk the loss of your membership for a fee that is well below other area shooting ranges!**

Clubhouse Rentals Available

We have a wonderful clubhouse that we have worked to make various updates. If you are interested in renting our clubhouse and/or bar facilities, please contact our managers to check on its availability. Renters who have been a member for more than six months will receive a reduced rental rate.

Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

MOVING?

You'll save us nearly a dollar if you make sure we have your new address.

Call Wes (402-466-9040) or send an update to:
LIWL, P.O. Box 6755,
Lincoln, NE 68506

LOST & FOUND

Please contact the office if you are missing any items.

Weather / Range Conditions Heads-Up

During the winter months, we try to get the parking lot and the roads leading up to Rifle/Pistol Ranges 1, 2 and 3 plowed as soon as possible. However, when we get a lot of snow or precipitation, all the traps and the cemented areas around the rifle and pistol benches/firing lines can be buried in snow and/or ice. With that in mind, we want all our members to be aware of the following, if you plan on shooting out here after inclement weather:

IF YOU ARE A CURRENT RIFLE/PISTOL MEMBER:

1. You may need to scoop/clear your area first.
2. DO NOT GO OFF ANY TRAILS THAT HAVE NOT ALREADY BEEN PLOWED. We cannot guarantee that someone will be out here to help at certain times.

IF YOU ARE A CURRENT TRAP MEMBER:

1. The area around the traps and the fan may not be cleared.
2. The locks will most likely be frozen. You can hold them in your hands for a while to warm them up if needed.
3. Make sure you warm up the machines PRIOR to arming and starting to throw the rocks.
4. You will have to clear any snow away from the machine and pump PRIOR to running it. With the wind that brings in snow, sometimes snow can get inside the traps.

We welcome any volunteers who are willing to come clear these areas during these weather conditions. If you are able and interested, please contact the managers.
