OCTOBER 2025

Inside: upcoming events, match scores, ways YOU can help and more!

2025 Hunter Sight-In Days

We will be hosting our annual Hunter Sight-In Days, which are open to the public and of course our members. These will be held on Sundays, November 2nd and 9th. The hours for this annual community event are 9:00 a.m. – 3:00 p.m. There are many areas that need to be filled to ensure that we can offer these days for all. Thank you to the many members that have already volunteered! The hours we are needing volunteers for each of these days is approximately 8:00 a.m. until the ranges are cleaned up (about 3:30/4:00 p.m.). We would love to have plenty of volunteers so the shifts can be shorter for all.

Here are some of the areas that we need to fill for each day:

- Early morning set-up,
- Gate Information Volunteer,
- Rifle Safety Inspectors (with tools to inspect the firearms prior to use on the range to ensure all screws are tight, and that they have the right ammunition for their firearm),
- Ranges 1, 2 and 4 Sight-In Helpers/Guides, and
- Tear down at the end of the day.

Volunteers will need to bring eye and ear protection, rifle rests (if they have any), and spotting scopes or good binoculars. We are also looking for some great volunteers willing to help feed our busy helpers.

Items we are looking for are:

- Early morning donuts or rolls
- Soup or easy meals at lunchtime (Soups have been covered this year thanks to members and volunteers Dave Miller and Paul Jensen!)
- Cookies or small desserts
- Individual Chip Bags (Thank you to member and volunteer Curtis Evans for providing these for our volunteers!)
- Bottled water (the coffee, cups, plates, paper towels, napkins, and silverware will be taken care of) In recent years, we have helped between 220 to over 300 people get sighted in. Are you able to commit to one or both two Sundays? If so, THANK YOU!!!! Please email us at ikes.lincoln@gmail.com with your available date(s) & times, phone number and what you would prefer to do. Your help with these days is greatly appreciated!

Safety First

Safety at our Lincoln Ikes is our number one priority. If you see anyone operating in an unsafe manner while on our facilities, please let us know as soon as possible. Contact our managers or any of our board of directors with some basic information (including location, time, place, etc.). Phone numbers and email addresses can be found at the back of this newsletter each month. As members, we are ALL called to work together at Lincoln Ikes.

Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors! Send to lincikesnews@gmail.com!

Rifle/Pistol Members Sighting In Reminders

As we have many members (and guests with the members) that are getting ready for this fall hunting season and beyond, it is imperative to remind all of our Rifle/Pistol members and their guests of these important reminders:

- If you are sighting in ANY NEW EQUIPMENT, make sure you start on Range 1 at the 25-yard lanes to make sure that you are dialed in at that distance. Any new equipment includes guns, scopes, etc. Once you are good there, then you can move over to the 100-yard Range 2. This is a requirement to make sure we maintain the highest safety standards as well as prevent any property damage.
- On the Rifle/Pistol Ranges, make sure you complete a guest pass and pay the \$10 guest pass fee for any guest that you bring BEFORE ENTERING THE RANGES. If you are a Rifle/Pistol member, you may bring your spouse and your children under the age of 25 and any other youth through the age of 19 without a guest pass. The member MUST stay with their guests and always supervise them. No lending out your cards. A Family membership DOES NOT mean that the children of the two designated members can come out without one of the designated members. We have cameras now that are recording all areas. Any member that is caught on the range with an unpaid guest or guests will be required to pay a \$50 fine per guest plus the \$10 guest pass fee per guest. Please don't risk the loss of your membership for a fee that is well below other area shooting ranges fees!

Thank you to our Volunteers!

On Saturday, September 6th, Rifle/Pistol Chairman Jacob Lonkoski and our Groundskeeper Neil Lunzmann held a backer building/repair work day. Thank you to Jacob, Neil and each of our volunteers that helped. We greatly appreciate all their help and taking their time to help work on this much-needed project for our rifle and pistol ranges. This is a necessary project and we could not do it without these great members: Jacob Lonkoski, Neil Lunzmann, Terry Branting, Jim Gross, Steve Hankins, Troy Hawk, Andrew Genzmer, Jason Peck, Bruce Reinhardt, Robert Sumner, and a few others that didn't sign on our volunteer form.

Thank you to Wes, for his many years of service to the Ikes!

At the September Board meeting, Wes Sheets stepped down as one of our board members after many, many years. Wes has served in many leadership roles at our Lincoln Ikes and has been instrumental in several areas with our local chapter, the state chapter and the national Ikes. We are very grateful for the many ways he has supported our Lincoln Ikes and conservation areas throughout our state and great country. If you see Wes around the club, please join us in thanking him for his many years of service.

Thank you to Nick Lind!

As Wes stepped down from serving on our Board of Directors, he nominated Nick Lind to take his place on the board. Nick has graciously served on the board as our Board President for a few years. Our by-laws state that the Board President does not need to be a member of the board, but now he will be. We are very grateful to Nick for his years of leadership with the board and look forward to serving with him for hopefully many more!

Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

MOVING?

You'll save us nearly a dollar if you make sure we have your new address.

Call Wes (402-466-9040) or send an update to: LIWL, P.O. Box 6755, Lincoln, NE 68506

LOST & FOUND

Please contact the office if you are missing any items.

Lincoln Ikes Membership Chairman Position Opening

We are looking for a great volunteer that would be interested in being our Lincoln Ikes Membership Chairman. A huge thank you Wes Sheets for the many, many years of service in this position. He has stepped down from this position and we are looking for someone that would be a good fit. To help explain this position, here are some of the general pointers (see below). If this sounds like something that you might be interested in, please email us at ikes.lincoln@gmail.com. Thank you for considering!

- Work with individuals at our National Izaak Walton League Office, the State Ikes and our Managers to make sure all our memberships are processed accordingly and if there are any updates with each.
- Whenever we know that any current members have moved or have passed away, we need to let the National Office know so that they can discontinue to send items
- Work with any prospective new members through email, phone or in person with answering any questions that they might have and getting them registered for orientation sessions if needed.
- Provide an updated report to our Board and/or Board President for our monthly Board of Directors meetings. Items on this report have included the following in recent years: Current number of all members, rifle/pistol members, trap members, new and renewing members for this year. Wes and/or the Managers would also provide numbers of members at the current time of year for previous years also so we could compare to where we currently are to previous years as well.
- Help with the planning of at least two monthly membership orientation sessions with the Facilities Managers.
- Work with the Managers to let them know the list of prospective new members. This way, they can get the range cards, gate cards and/or *LongRange* trap cards programmed and ready for the orientation sessions.
- In April or May, meet with the necessary committee(s)/people to propose the membership dues structure for the following year. In May, present to the board and they will vote on the increase, decrease, etc. After this meeting, the Managers will prepare new applications to be posted on the website and in the clubhouse, etc.
- Usually beginning July 1st, the National Ikes will begin to accept new memberships as either: 1) for the rest of this current year, or 2) new members also have the option of paying a little more for memberships through the current year and the following year.
- In August, the Membership Chairman sends a letter to the National Izaak Walton League's Director of Member Programs, regarding what our membership dues are
- In August, the memberships list needs to be verified with the list at the national office so we can verify that the renewal forms from the National Ikes office are as correct and accurate as possible. From there, the Membership Chair can contact the National Office to let them know that we are ready for them to print the upcoming year's renewal documents for each current member.
- At the October monthly board meeting, we usually ask the board members to meet a couple of hours beforehand to prepare the envelopes to be mailed out to our current membership for their next year's membership renewals. Before this meeting, the Membership Chairman usually gathers all the supplies to make sure everything is available for this work meeting, including gathering the right number of applications for each membership group (Regular/Individual, Family, Student or Life memberships), postage stamps, returned address stamps, and a letter from the Membership Chairman to each member. This letter goes over some of the basic information on how members can renew (online or via mail), other important information with the club coming up. After the meeting, the Membership Chairman takes the boxes of sealed and stamped envelopes to the post office to be mailed out around mid- to late-October.
- Usually in November, the National Ikes will begin to accept new memberships to include the remaining of the current year and then all following year. Therefore, we can begin to process these memberships after November 1st.

Lincoln Ikes Membership Chairman Position Opening

(continued from page 3)

Some Basic Membership Information:

- All our members are also members of our National Izaak Walton League and our state Izaak Walton League. Part of the membership fees for each member are paid to the National Office and they in turn pay a portion to our State Ikes.
- Members then have options of which ranges they would like to have access to and be a member to: rifle/pistol, trap/shotgun, both, or either of these. Members without the rifle/pistol or trap/shotgun ranges still have access to the archery range, youth catch-and-release pond, walking trail around the CRP ground and they also have voting privileges for our new or re-running board members in July. Our board members must be members for at least the last two consecutive years to run for a board position. Any member can attend one of our monthly board meetings, which are held on the second Tuesday of each month, beginning at 7:15 p.m. in the clubhouse.
- All new members must complete an orientation session for whatever ranges that they would like to join to have access to. Some members start out with just one range and then later want to add the other range(s) to their membership. To do this, they will need to complete the application, pay the updated range dues and any necessary deposits (gate card and/or LongRange trap card), and also attend one of our orientation sessions before having access to the new range(s).
- Our memberships are for a calendar year from January 1st (or beginning whenever the renewing member renews that year) through December 31st. Renewing members must renew for that current year before having access to the ranges, etc.
- Working with the board each spring to establish the membership and range dues for the next year. After June 15th, we offer NEW MEMBERS ONLY a Year + Membership (this includes a membership for the rest of the current year plus all the following year) or they can have the usual membership through the end of the current year.

August 30th Know Your Limits / .22 Challenge

The attendance was down a little, but the weather and Labor Day weekend didn't help. Great weather for .22 rimfire shooting. We hope you will give it a chance and come out to the next match! Thanks to all that helped with set up and tear down.

Clubhouse Rentals Available

We have a wonderful clubhouse that we have worked to make various updates. If you are interested in renting our clubhouse and/ or bar facilities, please contact our managers to check on its availability. Renters who have been a member for more than six months will receive a reduced rental rate.

Thank you to this year's Match Directors!

This year's matches are winding down and we want to thank each of them for all that they have done to make these events possible to many. If you attended any of these matches, make sure you thank the match director(s) for all their time and work to make these possible. All our match directors are listed on the Chapter Directory towards the back of this newsletter.

Lincoln Ikes Kitchen & Bar Open on Thursdays 6:00 p.m. – 8:00 p.m.

Our kitchen is open and ready to serve on Thursday evenings through October 23rd and also on October 5th at our ATA Meet until after lunch! We also have our bar open during trap league evenings for patrons of legal age and those done shooting for the day.

Items for Sale by Lincoln Ikes Members

- P365 XL Spectre with Wilson Combat grip, purchased new in 2022, \$685
- Springfield EMP 4, with five magazines, \$550
- Ruger LCR, .38, \$345,
- Taurus TX22, purchased new in 2019, \$200

All of these guns in very good condition to excellent condition.

Kate, 402-310-1819.

WORK DAY SUCCESS!

A dedicated group of Ikes members made short work of a large pile of target backers on Saturday, September 6th. Under the direction of Jacob Lonkoski, the group was able to repair the backers for all of the rifle/pistol ranges. What can take as long as four hours to complete was done in less than two, proving that "many hands make light work." For those of you that were unable to make the event but would like to contribute to other projects, please contact our manger, Natalie, or groundskeeper, Neil. There are many worthy projects, both large and small, that our organization can use your help on.

Wildflowers of Lincoln Ikes: Snakeroot

As you go from the entrance gate toward the ranges, there is a line of cedar trees planted as a windbreak. At the base of these trees are little white flowers called snakeroot. You can guess where the name came from—dried ground root was once used to treat snakebite.

Anyway, it's a perennial, which means it comes back every year. These bloom from July into October, and you can find them all over Ikes.

2025 Summer Trap League Results

The Summer Trap League's final night was held on August 21, with 30 teams divided into five different classes (AA through D) based on their shooting abilities. The classes are based on the previous year's scores and the first two weeks of shooting. Sometimes that works and sometimes it doesn't.

Now on to the season results, which are listed below. Awards are presented to the top three teams in each class. During the season, teams shoot against a different team in their class each week, with a point awarded for the team who has the highest score for 16-yard, handicap and total score for a maximum of three points for each night. If there is a tie between teams at the end of the season, the tie breaker is the total number of targets broken over the 15-week season. Awards are also presented to the overall top shooter, along with the top shooter in each class. They need to have shot a minimum of seven rounds of each 16-yard and handicap for their score to qualify. The winners were announced at the end of the season party. Just to say, the scores were very close. It is always great to see shooters enjoying themselves and the great conversation between teams on trap night.

In order for a league to run smoothly, we need great help. Special thanks to Kay and Bev for their great work in the office, and J.J. and the rest of the bartenders for running the bar on the hot nights to cool you down and to wash down the great food provided by Skymart. Thanks to Dylan Broughton for organizing the workers every night, which is not an easy task with everyone's busy schedules. The end of the season's party is scheduled for Sept. 30th, with the bar open at 6:00 and food ready around 6:30. Awards will be handed out, along with some raffle prizes. Fat Boy's (Kirk Malzer) donated some seasonings, Lonnie Mostek's team (Littlebridge) donated some caps and an art item made with shotgun shells and Scheels donated \$250 of gift cards.

Fall Trap League started on September 4th with 27 teams. Bring your shotgun and shells—there may be a team that needs an extra shooter.

2025 Summer Trap League Final Team Standings

Class AA

Orange Crush – 31
Dusters – 27 ½
Rock Busters – 22 ½
Missed Again – 17 ½
Hard Rock – 15
Rock Chippers – 4 ½
