JUNE 2023

Inside: Some big thank-yous, upcoming elections, match reports and more!

*****With the nicer weather, we also notice that it is our heavier tick season so please consider taking necessary precautions when being outdoors for yourself and your guests.**

Please Check the Calendar for Specific Range Usages

We will have some Rifle/Pistol Ranges closed on certain dates from 5:00 – 7:00 p.m. (usually twice a month). Please check the online calendar before you come out to shoot to verify that the range(s) that you are interested in shooting on are available during those times. The best calendar to see these dates and times are on our website calendar at:

<https://lincolnikes.com/news-events/calendar.html>

Thank you to our Volunteers!

- **Thank you to each of our volunteers that helped at our May 20th Work Day: Jacob Lonkoski, Jeff Coffman, John Flack, Tom Hershberger, Greg Horacek, Kent Kennedy, Dan Murray, Mike McNally, Jeff Shultz, Pat Sullivan, and Rick Williams.** We greatly appreciate all their help and taking their time to help our Lincoln Ikes complete projects including putting up new target backer holders closer to Ranges 1 and 3, making new backer boards, and repairing the roof/shingles on the outhouse. These projects help to keep fees down for our members and member involvement is crucial for this, so please share your gratitude if you see them around the ranges. A big thank you to **Jacob Lonkoski** for organizing this work day, lining up the supplies/tools, and supervising these projects. Jacob has helped in many areas out here over the years including serving on our Rifle/Pistol Committee and now our Board of Directors.

If you are interested in helping to cut down the volunteer trees at different dates and times that work best for you, please let us know by emailing ikes.lincoln@gmail.com. We may have some opportunities for you and other volunteers with this project.

- **Thank you to all our groundskeeping volunteers: Bruce Liesveld and Dave Miller.** Thanks to these members and our Groundskeeper Neil Lunzmann for all their work with the mowing, trimming and general grounds keeping.
- **Thank you to all our volunteers and parents that help to run the summer youth trap league!** We have a great group that work together to provide this for our area youth and it could not be ran without them. Thank you all for donating your time for this great activity provided for our youth!

Have you added a new range to your 2023 Membership?

Some of you have added a new range to your 2023 membership (for example, you have been a rifle/pistol member and have now added the trap range to your membership; or vice versa, a trap member, but have added the rifle/pistol ranges to your membership). Before you can have access to these new ranges that you have added, you will need to attend one of our orientation sessions. With the trap range, new members will also need the *LongRange* trap card. This requires a one-time \$20 deposit on the card as well. We have some orientations scheduled each month so if you are interested, please contact our office and we can provide you with that information.

Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

NOMINATIONS FOR THIS YEAR'S BOARD ELECTION

Wes Sheets:

I began my IKES membership nearly 27 years ago, about the time I retired from the Nebraska Game and Parks Commission. Having spent my professional career as a fisheries biologist and wildlife supervisor, I was attracted to the well-established IWLA organization by the outdoor conservation mission and to our chapters particular shooting opportunities. Over the several years, I have participated on the board as member, President, Treasurer and for many years as the membership chair. And during that time have seen the Lincoln Ikes grow from 300+ members to over 1150.

My goals—if elected—are to see the chapter remain as a significant recreational facility for the shooting sports and closely work with the IWLA hierarchy to affect Clean Water, Healthy Soils and Wildlife Conservation. And, secondarily, the future of our shrinking natural resources nationally (food producing) in the face of the ever-growing human population needs strong advocates for common sense conservation policies.

I challenge all members to consider increasing their personal involvement in administration of this fine organization to the extent that new faces are elected regularly to this board. **YOU TOO CAN HAVE A PLAY IN THE FUTURE!** Join a committee or be a candidate. And, without question, the health of Lincoln Ikes and its future will benefit.

Robert Sumner:

It has been my privilege to have been a member of Ikes for the last 3 years. In that time, I have come to see Ikes as more than just a place to go shooting. I have been an active volunteer on several projects that have been completed at our chapter, and have been a member of the Izaak Walton State Board of Directors for the last several months. I might still be learning the ropes at the state level, but I am committed to doing the best job I possibly can. I have also been a range officer for our range 4 through the previous winter and have been a range officer for the GSSF, and IDPA for the last several years.

If you vote for me, I will do everything I can to help members new and old feel as welcome as I can, and would do my best to bring new ideas to the issues currently before the board, and other future topics.

Luke Wallace:

I am a current member of the Lincoln Izaak Walton League and have been on and off since about 2010. My main passion is bow hunting but I also enjoy shooting long guns, shotguns, and pistols. I enjoy hunting anything that is in season and enjoy hunting with my kids the most.

Through my time in the military and private sector, I have run ranges that covered everything from basic marksmanship of rifles and pistols to long range rifles and CQB.

I currently work in the outdoor industry as an agent for Whitetail Properties Real Estate where I assist clients in the buying and selling of farms, ranches, and recreational properties. I enjoy all things outdoors, especially when it involves passing on my passion to future generations.

NOMINATIONS FOR THIS YEAR'S BOARD ELECTION

Mike Streeter:

I spent most of my childhood in Rapid City, South Dakota (ages 5 through 14). I moved to Omaha in 1963 and graduated high school in Omaha (Westside High class of 1967). I enrolled in junior college in Norfolk, Nebraska, but found working and making money a better deal and more fun than attending school. So, I kind of forgot to attend school. OOPS. After one semester in December 1967, I received a letter from the draft board in Omaha that said "Greetings from the President of the United States." I had a choice of reporting for duty with the U.S. Army or US Marine Corps, so I followed my father's example and enlisted in the US Navy in January, 1968. I served in the U.S. Navy until March 1972. I attended the rank of Gunners Mate second class and did two tours of duty in Vietnam while aboard a Destroyer Escort out of San Diego, California.

My next challenge was to become a Nebraska State Trooper. I worked for the State Patrol from September 1972 until December 1999; during this time, I specialized in investigations and supervision of Troopers, attaining the rank of Lieutenant, and after 27 years of service with the Patrol I retired.

I took two days off for retirement, then I started a new job with the State of Nebraska as the Program administrator (hunter education coordinator) of the Nebraska Hunter Education Programs with the Game and Parks Commission, staying for 15 years until May 2014. I then retired for the second time. In total, I was serving the people of Nebraska for 47 years.

While I have always enjoyed what I was doing for a living, I want to spend quality time with my wife and our family, going hunting (turkey, deer, elk, small game), going fishing (for whatever is biting), riding my motorcycle (Gold Wing Trike) and doing other things I enjoy. I also have a desire to provide help and assistance for/to others, so I returned to work as a full time (professional) volunteer for several service organizations.

I have hunted and fished most of my life, and I am a life member of the NRA. Starting in 1986, I became a member of Izaak Walton League of American Lincoln Chapter. I am also a member of the American Legion, Gold Wing Road Riders Association, and American Legion Riders. I really enjoy motorcycle riding, shooting accurate rifles and any handgun (but mostly S&W revolvers), doing armature gunsmithing, leather work and reloading my own ammo.

Volunteer Efforts (past and present):

American Legion Post 105 Hickman.

Member, assist with Honor and Color Guard, assist with bartending at events, post work days, and events to raise funds to support the Post and the American Legion's mission.

American Legion Riders Post 3 Lincoln

Current chapter secretary and past 2 term commander, this is a motorcycle riding group made up of members of the American Legion Family (Legion, Sons and Auxiliary).

Nebraska Game and Parks Hunter and Bow Hunter Education

First certified as a volunteer instructor in 1990 to teach mainly the Hunt/Safe program classes 6 to 8 times each year. Each year, I have assisted with kid's day events in eastern Nebraska as an instructor in hunting and shooting clinics.

Lincoln Izaak Walton League

I assist when asked with the mission of Ikes by teaching Hunter Education, being a range safety officer, and helping with shooting and fishing instruction at kid's events, instruction for new hunters and shooters, hunter sight in days and range work days. Volunteered to fill a vacant board position in 2018. Have enjoyed serving on the board and would volunteer to continue with this effort as needed.
