## July 20th Annual Lincoln Ikes Club All-Members Banquet and Meeting Recap

Thank you to all that attended our annual all members banquet and meeting. We had a fun afternoon with great food, approximately 95 members and speakers.

- We began the afternoon socially with the bar being open and visiting with those in attendance.
- The board provided a great complimentary dinner prepared by **Gregg and Erin with SkyMart Mobile** (who also provides delicious food on Thursday nights during our trap league – come enjoy their great food then through mid-October!).
- Our guest speaker was **Dave Bubb**, Environmental Specialist with the Water Quality Division, Monitoring Section of Nebraska Department of Environment & Energy, gave a great presentation about surface water, how it is monitored & his career in this field.
- Then **Manager Craig Keaschall** shared a welcome to all and then the managers introduced our board members, corporate board members, committee members and leaders and staff.
- **President Nick Lind** shared with all several updates at our Lincoln Ikes over the past year.
- **Tom Hershberger** also shared about our recent strategic planning, where we are currently and our need for volunteers and leader. A big thank you to Tom Hershberger for his extended work with the strategic planning and helping to guide the board to more success with the future in mind for all our members. Although Tom didn't run for re-election, he has also been a great volunteer at our Work Days and we greatly appreciate his help throughout the years.
- **Board Member and Groundskeeper Neil Lunzmann** introduced many of our great volunteers, including those that help he regularly with the grounds.
- **Board Member Wes Sheets** awarded our 2024 Judge John W. Tobin Chapter Volunteer Appreciation Award to Member and Safety Committee Chairman **Jeff Rawlinson**
- **President Lind** then shared the announcement of our newly elected or re-elected board members.
- And then lastly, we had fourteen winners with our **various door prizes, many of which were generously donated by Scheels**. If you were one of these lucky members, please share your gratitude with them in appreciation for these items.

It was an enjoyable afternoon spent with many of our great members and we hope to have many more join us next year!

## LOST & FOUND

Please contact the office if you are missing any items.

## Upcoming Lincoln Ikes Events

During these summer months, we are hosting many events, matches and leagues. These are open to our members—and the public as well. More information and match fees can be found on our website at [www.LINCOLNIKES.COM.com](http://www.LINCOLNIKES.COM.com) under “Ranges & Matches.” If you have any questions regarding these events, please reach out to the Match or Shoot Directors listed on these flyers.

## Member Volunteers Needed

To help maintain and improve our beautiful facilities, we are continually in need of various volunteers to use their talents and time around our ranges, clubhouse, etc. Some volunteer areas that we are seeking are the following:

- Lawn care/mowing
- Volunteers to help with the replacement of Rifle/Pistol Range backer boards
- Emptying the trash throughout the facilities
- Extra cleaners within our clubhouse to help with window cleaning, cleaning/disinfecting tables and chairs, good thorough kitchen spring-cleaning, dusting, etc.

See another project around the club that you believe could improve our chapter? Please let us know and we are happy to look into it!

If you are interested in helping us fill these needs, please contact Managers Craig and Natalie. In the meantime, if you come out to shoot and see a backer that needs replaced or other basic items, you can replace the used backer with a new backer whichever range you are on.

## Clubhouse Rentals Available

We have a wonderful clubhouse that we have worked to make various updates. If you are interested in renting our clubhouse and/or bar facilities, please contact our managers to check on its availability. Renters who have been a member for more than six months will receive a reduced rental rate.

## Ikes Kitchen Open for ATA Events

The Lincoln Ikes kitchen in the clubhouse will be open during the September 29<sup>th</sup> ATA Meets from 7:30 a.m. until the events are done. All are welcome!

## Clubhouse Custodian/Janitor Needed

We are currently taking applications for our clubhouse custodian/janitor that cleans and maintains our clubhouse. This position requires someone to clean the clubhouse at least once a week during most of the year and depending on how busy we are, it can take more. This is a paid position. If you or someone you know is interested in this position, please contact our managers at [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com) and we are happy to share more information about this position and all that it entails.

## Website Design Volunteer Needed

We are looking for a member with some website background to help us improve and maintain our website. Ideally we are looking for someone that would be willing and able to help update our website whenever needed or when changes or additional information has been provided. Many changes are usually needed at the end of the year and then occasionally throughout the year. If you have some background in this area and would like to volunteer your services, please contact our managers at [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com). Thank you for considering!

## Stocking of Fishing Pond Continued

While the pond hasn't filled yet, we are continuing the stocking with the hopes that the fish will survive the heat of the summer. Recently, Rob Hofpar from Nebraska Lake Management located near Valparaiso delivered a hundred 2-inch largemouth bass and five 12-inch grass carp. The grass carp will help control the aquatic vegetation, in time. Again, Rob reduced our costs for the fish by half. Hopefully, we continue to get more rain, as we plan to have Mr. Hofpar stock channel catfish fall.

## Lincoln Ikes Host the Cornhusker State Game Youth Trap Shoots

by Dave Tunink

The Ikes trap range was the site of Cornhusker State Game Youth Trapshooting event on July 13<sup>th</sup>. A total of 171 Senior High Shooters and 96 Junior High Shooter competed. The scores were extremely high, with 5 Senior High shooters running the 16-yard event and the eventual winner running an additional 50 targets to win gold. In order to run this event, it takes a lot of help, thus thanks go out to my wife Deb, Phil Seamans, Kent Richard, Craig and Natalie Keaschall, Jeff Krinke and Mike McNally. We received lots of positive comments about how the shoot was ran and, of course, our great facilities. The results for the event can be found on the Trap App.

### IHMSA Match Report: IKES Lincoln, Nebraska July 14th, 2024

by Chuck Pfitzer

It was a great match Sunday. Shirley and Graham Bakken stopped in to shoot the match with us as they were passing close by in their motorhome. It was good to see them and shoot with them again.

We had only one shooter with a 40/40 at the match—Randy in the PHL event, AAA Class. Good shooting, Randy! Randy also moves up to INT Class in the PHL event starting with the next match. Doug Davis also shot a score of 27 in the PHS event, giving him a leg up. Good shooting, Doug! There were a number of 39/40 scores shot in some of the other events. Check out the events and scores below.

Now get your calendar out and mark August 16th, 17th and 18th for The IHMSA Nebraska State Championship Match. Looking forward to shooting with you. Until then, keep the powder dry.
