## July 20<sup>th</sup> – All Members Annual Banquet – Please Mark Your Calendars & Join Us!

We have scheduled our 2024 All Members Annual Banquet and hope to see many of you at this annual event! Please mark your calendar for Saturday, July 20<sup>th</sup>, beginning at 12:00 noon. Members are encouraged to attend and bring a guest. For all our new members who have not experienced this annual banquet, we will:

- provide a great meal,
- enjoy fellowship with other Lincoln Ikes members,
- present a guest speaker or performer (to be announced in next month's newsletter),
- elect our new board of directors for the 2024-2027 term,
- open our bar for you to purchase beverages,
- and provide some updates from our board and managers on things that are going on at our Lincoln Ikes.

Please RSVP to [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com) or 402.474.6555 so that we can get a head count for how many to plan on for the dinner. We will have more information in the July newsletter.

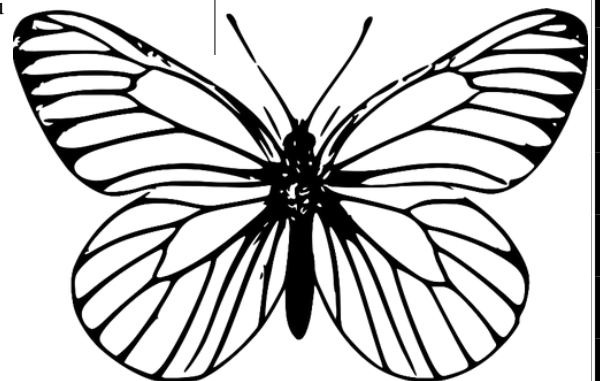

## Ticks are Out — Protect Yourself and Your Pets

With this nicer weather, we have noticed more ticks no matter where you are. Please take necessary precautions to protect yourself and your pets when you are outside.

## Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors! Send to [lincikesnews@gmail.com](mailto:lincikesnews@gmail.com)!

## Will you accept the challenge?

The .22 Challenge Fun Match, that is!

Coming soon to the Ike's will be a new—and hopefully fun—.22 rimfire match. Well, not so much of a “match” as a fun competitive shoot. In short, the rules are simple: engage 8 swinging targets, each one smaller than the last, with 10 rounds. Miss one and you keep trying until you either hit it or run out of your initial 10 rounds.

Each target is worth an increasing point value; add up your points, and that's your score for that segment of the match. If time allows, each shooter will get up to 3 opportunities to engage the targets for a total of 30 shots.

Everyone will shoot against like firearms. Lever action with open sights will shoot against lever actions with open sights; benchrest guns against benchrest guns and so on. Open sighted and small magnification scope guns will shoot from the 25-yard line. Most all others will shoot from the 50-yard line, all on range 1.

So, dust off your grandpa's old squirrel rifle or bring your new fangled super-shooter with a 50X scope, it doesn't matter. Win or lose, it's going to be a blast.

To receive a set of rules through email or for more information, contact Neil Lunzmann at 402-469-6501 or [neil.lunzmann@gmail.com](mailto:neil.lunzmann@gmail.com) and watch the Ike's calendar for upcoming dates.

Don't forget to bring a guest and the kids, all are welcome!

## Upcoming Lincoln Ikes Events

With the summer months here, we are hosting many events, matches and leagues. These are open to our members and the public as well. More information and match fees can be found on our website at [www.LINCOLNIKES.COM.com](http://www.LINCOLNIKES.COM.com) under “Ranges & Matches”. If you have any questions regarding these events, please reach out to the Match or Shoot Directors listed on these flyers.

## Member Volunteers Needed

To help maintain and improve our beautiful facilities, we are continually in need of various volunteers to use their talents and time around our ranges, clubhouse, etc. Some volunteer areas that we are seeking are the following:

- Lawn care/Mowing
- Volunteers to help with the replacement of Rifle/Pistol Range backer boards
- Emptying the trash throughout the facilities
- Extra cleaners within our clubhouse to help with window cleaning, cleaning/disinfecting tables and chairs, good thorough kitchen spring-cleaning, dusting, etc.

See another project around the club that you believe could improve our chapter? Please let us know and we are happy to look into it!

If you are interested in helping us fill this need, please contact Managers Craig and Natalie. In the meantime, if you come out to shoot and see a backer that needs replaced or other basic items, you can replace the used backer with a new backer whichever range you are on.

## Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

**MOVING?**

You'll save us nearly a dollar if you make sure we have your new address.

## NOMINATIONS FOR THIS YEAR'S BOARD ELECTION

### **Bill Hanson**

I have been a member of Ikes shortly after moving to Lincoln Nebraska from San Diego California August, 2017. I retired from the United States Navy as a Senior Chief SONAR Technician August 1993, worked for a DOD Contractor after the Navy until February 2013. I hold diplomas in Oceanography, Forestry and Wildlife Conservation aside from my military expertise in Surface and Subsurface detection and weapons launching systems.

I have assisted the Delzura Rod and Gun club, (in California) on their short, medium and up to 1000-yard practice ranges when needed. I became a certified Hunter Education Instructor in August 2018. Here at IKES I have assisted and held Hunter Education Firearm & Bow classes with other instructors. I also hold Hunter Education Classes in Ohio, and other towns in Fillmore County. I am an NRA certified RSO. In the spring through most of August I RSO for Range 4 a couple times a month, and I assist during Lincoln Ikes Hunter site in days prior to deer season.

I appreciate being asked to offer myself in running for a position on the Board of Directors.

### **Jacob Lonkoski**

Since becoming a member of the Lincoln Ikes in 2016 I have enjoyed all aspects of what we do. From just plinking at paper to serving on the rifle/pistol committee and the board of directors and everything in between. I was not only drawn to Ikes for the shooting facilities but also the IWLA's conservation efforts. I delight in and benefit from the comradery and opportunities to volunteer at the Ikes.

I am an NRA certified RSO. With that certification I open the 300-yard range for members practice and serve as director of the monthly bowling pin match. I have participated in many matches here at the Ikes and relish the time spent outdoors with like-minded individuals.

Thanks for the opportunity to throw my hat in the ring to continue as a member of the Ikes board.

### **Dave Miller**

I would like to be considered for filling a vacancy on the Board of Directors for the Lincoln Chapter of the Izaak Walton League. I have been a member for the last eight years. I currently serve as a volunteer for mowing and the Hunter Sight-In Days. I am also a RSO. I have volunteered for a few of the youth programs, primarily as an archery instructor.

My background on shooting sports includes a rifle/pistol/shotgun instructor and coach for Junior ROTC and CMP. I taught archery for the NASP program and was a Level 2 Instructor. I have held a Boy Scouts certification as a merit badge counselor for shooting. I also served as a Hunter Safety Instructor for a decade. I am a former Marine and retired after 26 years of duty.

I would consider it an honor to serve the Lincoln Izaak Walton League as a member of the Board of Directors.

## **Have you added a new range to your 2024 Membership?**

Some of you have added a new range to your 2024 membership (for example, you have been a rifle/pistol member and have now added the trap range to your membership; or vice versa, a trap member, but have added the rifle/pistol ranges to your membership). Before you can have access to these new ranges that you have added, you will need to attend one of our orientation sessions. With the trap range, new members will also need the *LongRange* trap card. This requires a one-time \$20 deposit on the card as well. We have some orientations scheduled each month so if you are interested, please contact our office and we can provide you with that information.

## IHMSA Match Report: IKES Lincoln, Nebraska May 19th, 2024

by Chuck Pfitzer

Sunday started cool with a light South wind and, later, light rain. The Range has some tricky wind currents, even with a light wind, but still a fun Range to shoot on. What fun would it be if we had perfect weather every time we went to shoot at the range? It may be fun to experience it some time, HA! HA!

It was good to see Ed Mondorf show up to the Match. Ed is dealing with some health problems and, for those that don't know Ed, he was our IHMSA Director before Ron TeSelle.

The next match is on June 16th from 8:00 AM to 4:00 PM

This Memorial Weekend there is a match at the Holdrege Shooting Range, May 24-26. The Holdrege Range is one of the best ranges you will find to shoot on.

With the Thursday Summer Trap League running now, our kitchen is open and ready to serve! We also have our bar open during trap league evenings *for patrons of legal age and those done shooting for the day.*

## 2024 Cornhusker State Games Events at Lincoln Ikes

Lincoln Ikes will host three Cornhusker State Games events out here this summer: Youth Trapshooting (July 13<sup>th</sup>), .22 Silhouette (July 21<sup>st</sup>) and Archery (July 21<sup>st</sup>). Please go to their website for more information about these events and how to register! Their registration prices go up the closer the events are, so register early at [www.cornhuskerstategames.com](http://www.cornhuskerstategames.com).

## No Longer Trap Member? Turn in your Trap Card for a Refund!

Some of our previous years' trap members have decided to drop that range for this 2024 membership year. If this is you and you have one of our *LongRange Trap Cards*, please return these trap cards and we will refund you the \$20 deposit that you paid when receiving it. You can mail it to us at Lincoln Ikes, PO Box 6755, Lincoln, NE 68506. Once we have received your *LongRange Trap Card*, we will contact our treasurer and he will mail you a check for your deposit. If you have any questions regarding this, please let us know.

## Stocking of Fishing Pond has Started

The work on the Ikes fishing pond has been completed with some dirt removal completed along with a nice fishing deck construction. This spring, we have received some nice rains and the water level has increased some at least to a point that we feel confident that it was time to start restocking fish into the pond. On May 9<sup>th</sup>, Rob Hofpar from Nebraska Lake Management located near Valparaiso delivered 500, 2-to-4-inch yearling bluegill (see attached photos). Once Rob learned that the pond was a kid fishing pond he cut the cost of the bluegill in half. Hopefully, we continue to get more rain with the plans to have Mr. Hofpar stock largemouth bass, channel catfish and grass carp in July.

## Lincoln Ikes Host Three Eastern Cornhusker Conference Trap Shoots

The Ikes trap range was the site of three Junior/Senior High trap shoots. On March 16<sup>th</sup> there was 155 Juniors and 284, April 6<sup>th</sup> had similar numbers with 165 Juniors and 283 Senior. On April 27<sup>th</sup> the Ikes hosted the All-Conference Junior High shoot with approximately 340 junior high shooters from across the conference. Special thanks to all the coaches and parents that assisted during these shoots to make them run smoothly. An additional thanks to the Southside 4H group that installed a new latch system to all the trap lids that made the operation of opening and securing them much easier. The spring practices and shoots can not happen without lots of help keeping the range clean and operating.
