2024 Summer Youth Trap League

We want to thank all of the youth that participated in our Summer Youth Trap League for eight weeks this summer. We had 54 youth participate in this league that was held on Monday evenings in May through July. They ended their season with a dinner and awards banquet. Many thanks to the many parents and adults that helped to make this summer event possible for our youth. We hope to see many of you again next year! Watch our newsletters in the spring for more information on the 2025 season.

Lincoln Ikes Chapter Election of Board Officers Results

In July at our annual All Members Meeting, the members voted on the four board positions that come up every year. Bill Hanson, Jacob Lonkoski, Mike McNally and Dave Miller have filled those positions. At the August board meeting, the board always votes on the board's officers for the next year and they are as follows:

Nick Lind (President)

Jacob Lonkoski (VP)

Wes Sheets (Treasurer)

Luke Wallace (Secretary)

Thank you to each of you for serving in this manner! A big thank you also to **Dave Tunink** for the many years he served as an officer as well.

Clubhouse Custodian/Janitor Needed

We are currently taking applications for our clubhouse custodian/janitor that cleans and maintains our clubhouse. This position requires someone to clean the clubhouse at least once a week during most of the year and depending on how busy we are, it can take more while occasionally helping with some maintenance projects. This is a paid position. If you or someone you know is interested in this position, please contact our managers at ikes.lincoln@gmail.com and we are happy to share more information about this position and all that it entails.

Website Design Volunteer Needed

We are looking for a member with some website background to help us improve and maintain our website. Ideally, we are looking for someone that would be willing and able to help update our website whenever needed or when changes or additional information has been provided. Many changes are usually needed at the end of the year and then occasionally throughout the year. If you have some background in this area and would like to volunteer your services, please contact our managers at ikes.lincoln@gmail.com. Thank you for considering!

Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

You'll save us nearly a dollar if you make sure we have your new address.

Call Wes (402-466-9040) or send an update to: LIWL, P.O. Box 6755, Lincoln, NE 68506

LOST & FOUND

Please contact the office if you are missing any items.

2024 Hunter Sight-In Days

We will be hosting our three annual Hunter Sight-In Days, which are open to the public. These will be held on Sundays, November 3rd and 10th. The hours for this annual community event are 9:00 a.m. – 3:00 p.m. There are many areas that need to be filled to ensure that we can offer these days for all. The hours we are needing volunteers for each of these days is approximately 8:00 a.m. until the ranges are cleaned up (about 3:30/4:00 p.m). We would love to have plenty of volunteers so the shifts can be shorter for all.

Here are some of the areas that we need to fill for each day:

- Early morning set-up,
- Gate Information Volunteer,
- Rifle Safety Inspectors (with tools to inspect the firearms prior to use on the range to ensure all screws are tight, and that they have the right ammunition for their firearm),
- Ranges 1, 2 and 4 Sight-In Helpers/Guides, and
- Tear down at the end of the day. Volunteers will need to bring eye and ear protection, rifle rests (if they have any), and spotting scopes or good binoculars. We are also looking for some great volunteers willing to help feed our busy helpers.

Items we are looking for are:

- Early morning donuts or rolls
- Soup or easy meals at lunchtime
- Cookies or small desserts
- Individual Chip Bags
- Bottled water (the coffee, cups, plates, paper towels, napkins, and silverware will be taken care of)

In recent years, we have helped between 220 to over 300 people get sighted in. Are you able to commit to one or both two Sundays? If so, THANK YOU!!!! Please email us at ikes.lincoln@gmail.com with your available date(s) & times, phone number and what you would prefer to do. Your help with these days is greatly appreciated!

Clubhouse Rentals Available

We have a wonderful clubhouse that we have worked to make various updates. If you are interested in renting our clubhouse and/or bar facilities, please contact our managers to check on its availability. Renters who have been a member for more than six months will receive a reduced rental rate.

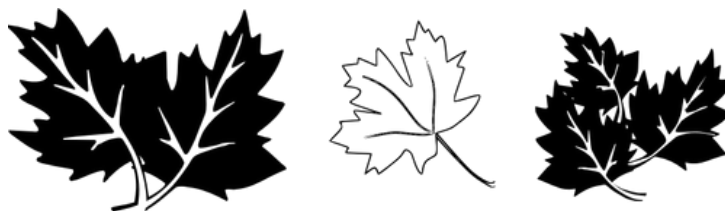

Lincoln Ikes Kitchen & Bar Open on Thursdays 6:00 p.m. – 8:00 p.m.

The Thursday Fall Trap League is starting in September and our kitchen is open and ready to serve! The Lincoln Ikes kitchen will also be open during the September 29th ATA Meet from 7:30 a.m. until early afternoon. All are welcome!

We also have our bar open during trap league evenings for patrons of legal age and those done shooting for the day.

No Longer Trap Member? Turn in your Trap Card for a Refund!

Some of our previous years' trap members have decided to drop that range for this 2024 membership year. If this is you and you have one of our *LongRange Trap Cards*, please return these trap cards and we will refund you the \$20 deposit that you paid when receiving it. You can mail it to us at Lincoln Ikes, PO Box 6755, Lincoln, NE 68506. Once we have received your *LongRange Trap Card*, we will contact our treasurer and he will mail you a check for your deposit. If you have any questions regarding this, please let us know.

2024 Summer Trap League

by Dave Tunink

The Summer Trap League's final night was held on August 22nd with 34 teams divided into 5 different classes (AA through D) based on their shooting abilities. The class is based on the previous year's scores and the first two weeks of shooting. Sometimes that works, and sometimes it doesn't.

Now on to the season results (which are listed below). Awards are presented to the top three teams in each class. During the season, teams shoot against a different team in their class each week, with a point awarded for the team who has the highest score for 16-yard, handicap and total score, for a maximum of 3 points for each night. If there is a tie between teams at the end of the season, the tie-breaker is the total number of targets broken over the 15-week season. Awards are also presented to the overall top shooter, along with the top shooter in each class. They need to have shot a minimum of 7 rounds of each 16-yard plus their handicap, for their score to qualify. The winners will be announced at the end of the season party. The scores were very close!

In order for a league to run smoothly, we need great help. Special thanks to Kay and Bev for their great work in the office, and to J.J. and Dallas for running the bar on the hot nights to cool you down and to wash down the great food provided by Skymart Mobile. Thanks to Toby Jordan and Dylan for organizing the workers every night, which is not an easy task with everyone's busy schedule. Also, I would like to thank Craig Keaschall, Aaron Lyons, Danny Wright, Jeff Krinke and Mike Moore for help while I was laid up with an injury. The end of the season's party is scheduled for Sept. 24th, with the bar open at 6:00 and food ready around 6:30. Awards will be handed out, along with some raffle prizes.

Fall Trap League starts on September 5th. Bring your shotgun and shells—there may be a team that needs an extra shooter.

IHMSA Match Report: IKES Lincoln, Nebraska

August 16th, 17, and 18th 2024

by Chuck Pfitzer

The IHMSA Nebraska State Championship Match was held on range four, on August 16th, 17th and 18th.

For club Members that don't know what kind of shooting we do at these events, we shoot Centerfire and 22lr Rimfire handguns. If you have a TC Contender, a revolver, Anshutz, Remington XP 100 or any other handgun, come to the next match and find out what that gun is capable of shooting. We can help you find out what it can do, and would also be glad to let you try one of our guns, if you like. Next IHMSA Match is September 22, 2024.

Wildflowers of Lincoln Ikes: Partridge Pea

by Dan Morgan

The intention of these articles is to fill you in on the many wildflowers that bloom on the Isaac Walton Range.

The first is the partridge pea. You'll find a whole field of these north of the pond. To me this looks like a yellow flower with a spider in the middle. But the reddish purple tendrils are simply the stamen, parts of the flower. It gets part of its name from the seed that looks like a small pea pod in the fall and winter. Please don't eat these as they're toxic to people. The first part of the name is from the game birds that eat this such as quail and of course, the partridge. Please enjoy.

More flowers next month!

Robert "Gus" J. Fredrickson

December 22, 1930 – August 2, 2024

Robert "Gus" J Fredrickson, age 93, of Roca, Nebraska, previously of Lincoln, passed away on Friday, August 2, 2024. Gus was born December 22, 1930, to Robert O. and Edna Heller Fredrickson in Lincoln.

Gus's son, Karl Fredrickson, has this to say about his father's involvement with Ikes: "Dad (Gus to most everyone) was a long time member of the Lincoln Ike's working on many project over the years, dragging me along (fun) from building the 'new' clubhouse, planting pine trees, shooting trap (SCS), rifle shooting, sight-in days, making signs and announcement kiosks, and many others."

He attended elementary school and junior high in Lincoln plus one year at Lincoln High School. His family then moved to farms near Gresham, Nebraska, where he completed high school. After graduation, he moved back to Lincoln to work for International Harvester and then joined the US Army to serve during the Korean War. He was stationed in Yokohama, Japan, where he repaired radar sets. While flying home in 1953, a fellow soldier encouraged him to earn a college degree, and he took to that idea. With the help of the GI Bill and work-study jobs, he first attended Doane College in Crete, Nebraska, and then the University of Nebraska in Lincoln to complete his civil engineering degree. He then spent his entire career with the USDA Soil Conservation Service, involved in the designing and constructing of earthen flood control dams on many watersheds in Nebraska.

At Doane, he met fellow student Jane Herzog, who was studying to become a teacher, and they were married in Omaha at Florence Presbyterian Church on June 20, 1959. Daughter Linnea was born in Lincoln and son Karl in Beatrice.

In addition to being a professional engineer, Gus was also a woodworker who made everything from turned bowls, plates, and lamps to headboards, bedroom sets, side tables, cradles, and benches as well as beautiful black walnut gunstocks. With his many skills, he was able to help family, friends, and neighbors with home and machinery repairs and maintenance of all sorts, and he really enjoyed doing this. All his life, he loved to hunt (especially deer), fish (especially big northern pike), garden (vegetables),

watch the weather, and just be outdoors. He and Jane lived many years on acreages frequented by wild birds, deer, and other wildlife. Summertime for many years meant a trip to northern Minnesota, either to a lake cabin or for a canoe trip with family and friends in the Boundary Waters Canoe Area Wilderness and Ontario's Quetico Provincial Park. Recently, he shared stories with a chaplain, who said, "Gus, it sounds like you've had a pretty good life." He smiled and agreed: "Yes, I have."

Gus is survived by his wife of 65 years, Jane Fredrickson, children Linnea Fredrickson and Karl (Lou) Fredrickson, grandchildren Melanie (Jeff) Mueller and Stephanie (Mike) Bradley, and great-grandchildren Logan, Gabby, Kaiden, and Alexis, and many other relatives and friends. He was preceded in death by his parents and sister Joan Nienkamp.
