Range 3 Closed During Work Day Projects

Range 3 will be closed during the Work Day projects scheduled for Saturday, September 23rd, from 8:00 a.m. until approximately 12:00 noon. (See enclosed flyer.)

2023 Hunter Sight-In Days

We will be hosting our three annual Hunter Sight-In Days, which are open to the public. These will be held on Sundays, October 29th and November 5th. The hours for this annual community event are 9:00 a.m. – 3:00 p.m. There are many areas that need to be filled to ensure that we can offer these days for all. The hours we're needing volunteers for each of these days is approximately 8:00 a.m. until the ranges are cleaned up (about 3:30/4:00 p.m). We would love to have plenty of volunteers so the shifts can be shorter for all. Here are some of the areas that we need to fill for each day:

- Early morning set-up,
- Gate Information Volunteer,
- Rifle Safety Inspectors (with tools to inspect the firearms prior to use on the range to ensure all screws are tight, and that they have the right ammunition for their firearm),
- Ranges 1, 2 and 4 Sight-In Helpers/Guides, and
- Tear down at the end of the day.

Volunteers will need to bring eye and ear protection, rifle rests (if they have any), and spotting scopes or good binoculars. We are also looking for some great volunteers willing to help feed our busy helpers. Items we are looking for are:

- Early morning donuts or rolls
- Soup or easy meals at lunchtime
- Cookies or small desserts
- Individual Chip Bags
- Bottled water (the coffee, cups, plates, paper towels, napkins, and silverware are already taken care of.)

In recent years, we have helped between 220 – 312 people get sighted in. Are you able to commit to one or both of these two Sundays? If so, THANK YOU!!!! Please email us at ikes.lincoln@gmail.com with your available date(s) & times, phone number and what you would prefer to do. Your help with these days is greatly appreciated!

Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests. Show us what you've been up to and how you've been enjoying the great outdoors!

Have you added a new range to your 2023 Membership?

Some of you have added a new range to your 2023 membership (for example, you have been a rifle/pistol member and have now added the trap range to your membership; or vice versa, a trap member, but have added the rifle/pistol ranges to your membership). Before you can have access to these new ranges that you have added, you will need to attend one of our orientation sessions.

With the trap range, new members will also need the *LongRange* trap card. This requires a one-time \$20 deposit on the card as well. We have some orientations scheduled each month so if you are interested, please contact our office and we can provide you with that information.

No Longer Trap Member? Turn in Your Card for a Refund!

Some of our previous years' trap members have decided to drop that range for this 2023 membership year. If this is you and you have one of our *LongRange Trap Cards*, please return these trap cards and we will refund you the \$20 deposit that you paid when receiving it. You can mail it to us at Lincoln Ikes, PO Box 6755, Lincoln, NE 68506.

Once we have received your *LongRange Trap Card*, we will contact our treasurer and he will mail you a check for your deposit. If you have any questions regarding this, please let us know.

IHMSA Match Report IKES Lincoln, NE

August 20th, 2023

by Chuck Pfitzer

The day started out warm and humid but not as bad as forecasters predicted. Shooters who ignored the forecast and shot the match had fun and were shooting some good scores. Ron TeSelle shot a nice score of 40/40 in UASHS with his 221 Fireball Good shooting, Ron. I also had a good day, shooting some 40s but slipping behind Ron with a score of 39/40 in the UASHS Class. Doug Davis had some gun problems so we stepped in to help and got him and the gun fixed and ready for the next Match in September.

Don't miss the September 17th Match in Lincoln before the State Championship Match. It starts on September 21st, and continues through the 22nd, 23rd, and the 24th in Holdrege NE.

2023 Summer Trap League Results

by *Dave Tunink*

The Summer Trap League's final night was held on August 10th with 32 teams divided into 5 different classes (AA through D) based on their shooting abilities (or at least I tried!) prior to getting into the results

Now on to the season results, which are listed on the next page. The champions were decided with no ties. We had 8 new teams this year, which is great. It's fun to have new shooters come out and be involved with the league. The team results by class are listed, with the top 3 teams winning awards. The Top Gun awards are presented to the top shooter in each class along with the top shooter amongst all the shooters. In order to win, the shooter must have shot a minimum of 7-16 yard rounds and 7 – handicap rounds. Conner Parrish won the Overall Top Gun which was won by his brother, Tanner, last year. Great to be young. The rest of the winners are listed.

In order for a league to run smoothly, we need great help. Special thanks to Kay and Bev for their great work in the office. J.J., Dallas and Jill for running the bar on the hot nights to cool you down and to wash down the great food provided by Skymart mobile. Thanks to Toby Jordan for organizing the workers every night, which is not an easy task with everyone's busy schedule. The end of the season's party is scheduled for Sept. 26th with the bar open at 6 and food ready around 6:30. Awards will be handed out along with some raffle prizes.
