JUNE 2025

Inside: upcoming events, match reports, important reminders and more!

Thank you to our Volunteers and Neil!

- Thank you to our mowing volunteers, Bruce Liesveld and Dave Miller, for being great, consistent volunteers during these mowing months. The place looks great and we appreciate your time and sweat with this weekly task.
- Thanks to the clean up around the facilities by Neil and his volunteers, we filled a container that was donated by Alter Metal Recycling and received a check back for \$844.90.
- Thank you to Neil for organizing the controlled burns that took place on May 10th in preparation for our lead mining that is currently being performed on the trap range. A special thank you to his great volunteers: Shaun Brannen, Cory Callahan, Aaron Lyons, Mike McNally, Dave Tunink, Danny Wright
- Thanks to Neil for working with our painter on the Range 3 overhead. Unfortunately, the previous paint was defective and it had to be repainted. Thanks to All Around Painting for coming back and being persistent on getting us taken care of by power washing it and then painting it...again. Thank you also to our pistol members for their patience while this range was closed.

Lead Mining Closes Trap Range for a Few Weeks

As part of our conservation efforts, our Lincoln Ikes regularly performs lead mining on our trap range and this is our year to do it. The mining company started mining out here on May 12th and should be done within four weeks. They plan on putting in long days, are typically done by 6:00 p.m. and generally take off Sundays and Memorial Day. **Therefore, the trap range will be closed during the day until approximately 6:00 p.m. until further notice.**

After they leave for the day, the trap range is available to our trap members until 10:00 p.m. If you are interested in certain days, please check the website calendar and we will post when the trap range is open for our members to use. We will notify our trap members as soon as we have more updates and when the mining project is complete.

We appreciate your patience while we perform these necessary maintenance events and apologize for any inconvenience this causes our trap members. Please let us know if you have any further questions or concerns.

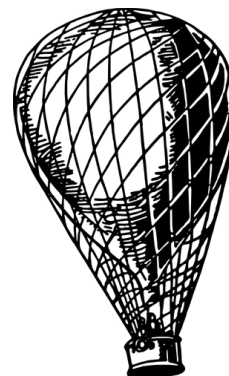

Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors! Send to lincikesnews@gmail.com!

Ticks are Out - Protect Yourself and Your Pets

With this nicer weather, we have noticed more ticks no matter where you are. Please take necessary precautions to protect yourself and your pets when you are outside.

Member Volunteers Needed

To help maintain and improve our beautiful facilities, we are continually in need of various volunteers to use their talents and time around our ranges, clubhouse, etc. Some volunteer areas that we are seeking are the following:

- Lawn care/Mowing
- Volunteers to help with the replacement of Rifle/Pistol Range backer boards
- Emptying the trash throughout the facilities
- Extra cleaners within our clubhouse to help with window cleaning, cleaning/disinfecting tables and chairs, good thorough kitchen spring-cleaning, dusting, etc.

See another project around the club that you believe could improve our chapter? Please let us know and we are happy to look into it!

If you are interested in helping us fill these needs, please contact managers Craig and Natalie. In the meantime, if you come out to shoot and see a backer that needs replaced, you can replace it with a new backer whichever range you are on.

Meet the Board Candidates!

Craig Keaschall

After being appointed by the board for an open position mid-year, I am running for re-election to the Board of Directors. I have been a member of our Ikes since 2009. I have served, with my wife Natalie, as Facilities Managers of the Lincoln Ikes since 2016. I have also been involved with both youth and adult trap, Rifle and Pistol Committee, Safety Committee, Trap committee, a RSO, helped with numerous work days, and spearheaded many projects to improve the club for its members and guests. The Lincoln Ikes is a place that is near and dear to me and my entire family. Your support in my re-election would be greatly appreciated. Thank you!!

Neil Lunzmann

It has been my pleasure to serve 2 terms on the Izaak Walton Board of Directors and I'm asking for your vote for a third term. I have been a member of Ike's for 20 years this coming January. I am a RSO and fill in for other RSO's on range 4 when needed. I have been the lead person for the Hunter Sight-In event for the past several years and recently started a match called the .22 Challenge Fun Match which has gone over well. I enjoy shooting the Bowling Pin Match and more recently the Club's Benchrest Match.

Working as the club's groundskeeper allows me an opportunity to introduce myself to many of our members and get their opinions on what the organization needs to satisfy their shooting desires. Please feel free to look me up and let me know what you think.

Dave Tunink

I have served on the Lincoln Izaak Walton League Board for the past 22 years and while on the board, I have also served as the Vice President, President and as the Secretary for the past 12 year. During my time on the board, I have tried to provide direction and decisions that benefit all members. Since I have been a member, our chapter has grown both in membership and what our facility has to offer to its members. We have one of the finest facilities in the area and the positive response of our current members attracts new members and retains our current members. While my main shooting activities involve trap shooting (past head coach for the Pius Trap Club), Ikes Eastern Cornhusker Trapshooting Conference Shoot Director, past Cornhusker State Games Youth Trap Shooting Director, Trap Committee Chairperson, run the Summer and Fall Trap Leagues, and assist with the ATA shoots). I also am in charge of the maintenance of all the trap machines and related equipment. I also enjoy shooting on the rifle and archery ranges along with helping maintain the fishing pond. Still waiting on lots of rain!! Our chapter/facilities provide members a diverse recreational and shooting venue, greater than other chapters or clubs across the state, which we should be proud of and continue to maintain, protect and expand as needed. Protection of our chapter will be important for our future existence with the current development of the Highway 2 bypass and potential future development of the east by pass which will impact the chapter directly. While most member join to use our shooting facilities, I would like to see our chapter take a more active role in providing comments and support for various conservation and environmental issues that occur in Nebraska and nationally. Since I have retired I find the Ikes as a great place to spend some of my free time as there is always something that needs some work. I look forward to continue to be active in the chapter in any manner that will help support the Izaak Walton League's mission.

John Wittwer

This letter is to confirm my verbal agreement to stand for re-election to the Chapter 65 (Lincoln Ikes) Board of Directors. I have been a member of chapter 65 since about 2010. I have been very involved with our youth program, and with the State Division as a State Director. I also serve on the shooting marksmanship and Game management committees at the national Level.

Meet our New Membership Chairman

Hello, my name is Andy Ward, and as a resident near Bluestem Lake and a member of the Izaak Walton League in Lincoln for the past year, you'll often find me at the range. My diverse background, starting as a police officer and transitioning to two decades in project management, has provided me with strong organizational and communication skills. I've also applied these skills in volunteer roles, supporting organizations like the Scout movement (UK) and the Association of Change Management Professionals (Florida) with marketing and membership growth.

Currently, I work remotely as a Change Manager for the University of Washington Medicine in Seattle, a role offering me scheduling flexibility. Having lived in the US for 18 years, and being married to a Lincoln native, Vanessa, Nebraska feels like home.

My enthusiasm for this opportunity stems from a desire to combine my professional expertise in project and change management with my passion for firearm safety and continuous learning to benefit the Izaak Walton League. I am eager to contribute my skills to support membership and marketing initiatives, further engaging with and giving back to this community I value.

Upcoming Lincoln Ikes Events

With the warmer weather coming soon, we will begin hosting many events, matches and leagues. These are open to our members and the public as well. More information and match fees can be found at the back of this newsletter with their respective flyers. Lincoln Ikes Supporting 4H Championship

The Lincoln Ikes is supporting the 2025 Nebraska 4H championship shooting sports team when they compete at the National championship at Grand Island on June 22 through 27th. The matches are shot on the Heartland shooting complex near Grand Island. 10 kids from Nebraska have qualified for this championship event and the Lincoln Ikes are providing each member of the Nebraska team with a tee shirt to identify them during the shooting matches. We wish them the best of luck when they perform their skills at shooting shotguns and rifles during the matches against the best from each state in the United States of America.

Wildflowers of Lincoln Ikes: Wild Strawberries

Last month we featured wild plums—this month we have wild strawberries. They bloom in May and June and produce fruit in mid-summer. They only grow a few inches above ground, so they make a great ground cover. Their blossoms are about 3/4 inches across and found in clusters of 3 to 5 per plant. This is a hearty plant you can find over much of North America.

AN IMPORTANT REMINDER

For those members using the rifle / pistol ranges, especially range 3 (pistol).

The official Izaak Walton Rifle / Pistol Range Rules (revised November 2023) found at our website; page 9 clearly states the following:

“No shot shells are allowed on the pistol range including those fired from a revolver, single shot pistol or other handgun!”

There is a Tactical Shotgun Patterning Station located on the south end of range 1 for use for pistols with the ability to fire shotshells.

Also not allowed on the pistol range are any shoulder fired rifles or carbines firing pistol caliber such as 9mm or .45 ACP.

The bottom of page 10 of the rule book reads:

“Only .17 and .22 S., L., and L.R. and 5 mm rimfire rifles and air rifles are allowed.”

These rules exist for your and your fellow shooters safety and to help minimize the damage done to our ranges. Please re-read the current rule book no matter what you shoot or which ranges you use.

IHMSA Match Report:

IKES Lincoln, Nebraska

May 18th, 2025

IHMSA Match Director Ron TeSelle

by Chuck Pfitzer

The New Lever Action Rifle event started off with only two shooters. But there were others interested in the event, including myself. I got my Old Winchester 30-30 out Saturday and dusted it off—and then left it home. Next month, I will be ready. Do the same, and you can have some fun with it. The next match is June 15th. The match is a 40 shot match with distances of 50, 100, 175 and 200 Meters. The two lever action shooters and their scores are listed below.

The match started off quite chilly and windy but we still had fun and a good turnout. Windy and chilly weather didn't stop Mike Alexander from shooting a great score of 40/40 in BB UAS Class. Good Shooting, Mike. And Mike was the only shooter to shoot a score of 40 for the day. Ron and Randy TeSelle both shot scores of 39's in the PH Class events. Good Shooting, Ron and Randy.

Next Match on June 15th

The game is quite simple. There are targets cut in the shape of four animals of progressive size set at four distances. For the .22 and field pistol the Chickens are at 25 meters, pigs at 50, turkeys at 75 and rams at 100. In the big bore classes the chickens are at 50 meters the pigs at 100 meters, turkeys at 150 meters and the rams at 200 meters. There are banks of five animals at each firing point, which are shot through twice each for a total 40 round course of fire. There is a thirty second loading period followed by a two-minute firing time for each bank of five targets. After shooting through each set of animals twice, you move to the firing point for the next animal. The average course of fire takes about 30 to 40 minutes.

We shoot three disciplines here at the Ikes, big bore, small bore (.22) and field pistol (center fire, straight walled cases no longer than 1.290"). Within these disciplines there are enough categories to accommodate almost any handgun you may own, either with or without a scope.

It is set up so that you can shoot several guns per match if you want. Your first score determines your class so you are only shooting against shooters of like ability.
