## How to Renew Your Membership for 2024

Renewal notices have gone out to all our current 2023 Lincoln Ikes members. If you didn't receive yours in the mail, please let us know and we'll check into it. To renew your membership for the 2024 year, you have a few options:

- Mail in your completed and signed renewal application and payment to: Lincoln Ikes, 10801 S. 134th St, Bennet, NE 68317, or
- Renew your 2024 membership online by going to our website at [www.lincolnikes.com](http://www.lincolnikes.com), then click "**Member Login**", which is on the green ribbon just underneath the large photo on top of the main page.

If you do plan on renewing your membership, make sure you do so by December 31<sup>st</sup>, 2023. Otherwise, your gate card, etc. will be deactivated and may take some time to reactivate.

## Lost & Found

Someone left their block target at the archery range in October. If you can describe it, please contact us and we can set up a date and time for you to pick it up. Thank you!

## ATTENTION RIFLE/PISTOL RANGE MEMBERS:

If you bring any guest(s) to the rifle/pistol ranges, make sure you keep the following things in mind:

- Complete a guest pass for each of your guests and pay the \$10 guest pass fee BEFORE ENTERING THE RANGES.
- Stay with your guests and supervise them at all times.
- Do not lend out your cards.
- If you are a regular member, you may bring your spouse and your children under the age of 25 and any other youth through the age of 19 without a guest pass.
- A family membership DOES NOT mean that the children of the two designated members can come out without one of the designated members (this applies for trap members as well).

We have great cameras now that are recording all areas. Those with guests that are not paying and completing the guest passes are losing their memberships! Please don't risk the loss of your membership for a fee that is well below other area shooting ranges!

## Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests. Show us what you've been up to and how you've been enjoying the great outdoors!

Send to

[lincikesnews@gmail.com](mailto:lincikesnews@gmail.com)!

## Thank You to Our September 30<sup>th</sup> Pond Deck Volunteers

A big thank you to the following volunteers for working on one of the warmer days of fall to complete the pond deck top:

**Neil Lunzmann, Curtis Evans, Greg Horacek, Kent Kennedy, Shane Krause, Bruce Liesveld, Wes Sheets, and Craig and Natalie**

A big thank you to **Ed Cross, Tom Shea and Neil Lunzmann** for coming back and doing the rest of the boards, dirt work up to the deck, and adding a guard to the front of the deck. We could not have done it without these members and hopefully our members appreciate all your dedication and hard work. We are anxious to get the pond filled back up and ready for many youths to grow in their love for fishing!

## Thank you to our 2023 Hunter Sight-In Days Volunteers

Thank you to the following people that have currently (at the time of this publishing) volunteered to help us at our annual Hunter Sight-In Days, which have been scheduled for October 29<sup>th</sup> and November 5<sup>th</sup> this year:

**George and Helen Carr, Kevin Delka, Rod Dewey, Lon Dyer, Bob Feit, Richard Feldman, Dave Griffith, Steve Hankin, Bill Hansen, Neal Heil, the Keaschalls, Shane Krause, Quinn Krikac, Neil Lunzmann, Chad Magdaz, Tammy Merritt, Dave Miller, Missy Minner, Jeff Shultz, Joe Stevenson, Mike Streeter, Jim Stubbendieck, Robert Sumner, Ron TeSelle, Bob Tooker, Dick Winchester, and John Wittwer.**

Thanks to these folks, they volunteered in various ways to make these public events safe and successful!

## CPR and First Aid Training

CPR and First Aid Training was offered at our Lincoln Iles clubhouse on Sunday, October 22<sup>nd</sup>. This Heartsaver course covered CPR, AED and choking, as well as First Aid covering personal protective equipment (PPE), finding the problem, Epi pen and external bleeding/tourniquet. We had 6 individuals attend this session ranging in various ages.

## Have you added a new range to your 2024 Membership?

Some of you have added a new range to your 2024 membership (for example, you have been a rifle/pistol member and have now added the trap range to your membership; or vice versa, a trap member, but have added the rifle/pistol ranges to your membership). Before you can have access to these new ranges that you have added, you will need to attend one of our orientation sessions. With the trap range, new members will also need the *LongRange* trap card. This requires a one-time \$20 deposit on the card as well. We have some orientations scheduled each month so if you are interested, please contact our office and we can provide you with that information.

## Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

***MOVING?***

You'll save us nearly a dollar if you make sure we have your new address.

Call Wes (402-466-9040) or send an update to:  
LIWL, P.O. Box 6755,

## LOST & FOUND

Please contact the office if you are missing any items.

## No Longer Trap Member? Turn in your Trap Card for a Refund!

Some of our previous years' trap members have decided to drop that range for this 2023 or 2024 membership years. If this is you and you have one of our *LongRange Trap Cards*, please return these trap cards and we will refund you the \$20 deposit that you paid when receiving it. You can mail it to us at Lincoln Ikes, PO Box 6755, Lincoln, NE 68506. Once we have received your *LongRange Trap Card*, we will contact our treasurer and he will mail you a check for your deposit. If you have any questions regarding this, please let us know.

## Eagle Scout Project Completed

Zach Habel recently completed his Eagle Scout project on October 20<sup>th</sup> and 21<sup>st</sup>. He and his crew of 11 volunteers prepared the roofs of the trap houses by scraping them, followed by a thorough washing on a Friday evening. The next day, they painted the metal roofs. The roofs needed it badly since they haven't been painted for several years. Along with the painting of the roofs they gathered some of the shotgun wads that were lying around the trap houses.

Thanks to one of the adults bringing a power brush, they were able to clean up enough wads to fill more than one of the dumpsters. The project went very smoothly and it was accomplished while the weather was great. Zach is a trap shooter competing with the Pound Junior High team last season and moving up to high school. He will be shooting for the Southwest Trap team in 2024, thus his desire to do a project to make improvements to the Ikes trap range.

## IHMSA Match Report

October 15th, 2023

by Chuck Pfitzer

The day started off chilly with a hint of fall in the air but there wasn't any wind until a little later in the day.

Randy TeSelle and Jeff Shultz both shot good enough to get a leg up in the next class. Randy shot good enough in two classes for a leg up in BB UAS and UASHS with his new XP 100 in the 222 Rem. Cal. for the UASHS. That was some good shooting to start off, with a score of 38 in that class. Good Shooting, Randy! Jeff Sholtz was ready for the Match. He shot 40's in two matches and the one in the PHS Class got him a leg up in the class. Ron TeSelle and Mike Alexander both Shot 40's. Good Shooting to all the shooters that Shot 40's. Mike shot the HOA in PHS Class. Way to go, Mike.

The next match at Lincoln IKES Range, starting November 19th, 2023, will begin the Air Pistol Matches for the Winter Matches.
