Thank you to our Groundskeeping Volunteers!

Thank you to these volunteers that continue to help us with the ground's maintenance and mowing: **Neil Lunzmann, Bruce Liesveld, Ed Mason, Dave Miller, and an anonymous volunteer.** Don't our grounds look phenomenal?! Share your appreciation with these men when you see them.

July 11th Volunteer Work Day

We will be having a workday on Saturday July 11th, starting at 8:00 a.m. at the Range 2 shed.

We will be adding mulch to Range 3, rebuilding/resurfacing target backers, and maybe a couple of other things if time permits. With many hands we can complete these projects fairly easily and quickly. If you have them, please bring hammers, pry bars, gloves, and safety glasses.

Hope to see many of you out there!

Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors!

Meet the Board Candidates!

Nick Lind

Hello, my name is Nick Lind. I am running for re-election to the Izaak Walton Chapter 65 board. As a member I would strive to support youth shooting sports and activities. I would use my knowledge that I have gained as RSO and match director of the 22 youth and adult silhouette that I have directed for the last 10 years. I also would like to help and work on the various conservation projects that Ikes does. I will also support Ikes as chapter president for however long as I can.

Thank you for your consideration.

Aaron Lyons

My name is Aaron Lyons and I'm seeking reelection of a board member position after taking over a vacant seat midway through last term. I've been a member of Izaak Walton League since April of 2017. I'm an NRA and 4H certified shotgun coach and have been coaching on the PiusX and Southside 4H trap team since 2014. I'm also an active ATA and NSCA member and enjoy clay target shooting, waterfowl and upland bird hunting and fishing. I look forward to helping keep our Izaak Walton chapter growing and expanding our reach.

George Teixeira

Two months ago, I volunteered to be your Membership Chair and at the May meeting I gave my verbal agreement to run for an open position on the Board of Directors of the Lincoln Ikes Chapter 65. I have recently retired and am looking forward to more me time. I have been a member of the Ikes for the last 5 years and am also currently on the Board of Directors for the Nebraska Firefighters Museum and Education Center located in Kearney, NE.

I live in Syracuse with my wife Loretta and if you see me on the ranges, I'm the one with the "funny" accent. I grew up in Fall River, MA and came to Nebraska by way of the U.S. Army when I was assigned duties at UNL Army ROTC program. I look forward to continue to be active in the chapter in any manner that will help support the chapter and leagues mission.

Wildflowers of Lincoln Ikes: Deptford Pink

by Dan Morgan

This is actually a tiny little flower about 1/2” in diameter I found along the edge of the CRP grasslands. It blooms in late May to early July and grows 6-24” tall. As you can see, its color is more blue or purple. The “pink” in the name came from the jagged end of the petal, as if it were cut with pinking shears.

It was originally found only in Europe but was brought here by settlers. The name “Deptford” came from a section of old London.

IHMSA Match Report: IKES

Lincoln, NE June 21st, 2026

by Chuck Pfitzer IHMSA Match Director: RonTeSelle

Wow, what a good day to be shooting—cool, no wind. Well, a light breeze early in the day, and, for a time, nothing, then a light breeze the rest of the time.

Ron TeSelle shot a 40/40 in UASHS Class with his XP 221 Fireball. Good shooting, Ron. I had one of my best days shooting—see below. Randy TeSelle moved up to the AAA Class last month in UAS big Bore and raised his score by one Sunday. I would like to thank Randy and Ron for setting up the range before shooters arrived. Robert Babilon raised his score over the last month by one with his FA Revolver. I won’t be surprised if he shoots a 40 score before the year is up. Good shooting, Robert.

August 14th 15th and 16th is the big one The Nebraska State IHMSA Championship Match. Hope you put these dates on your calendar so you don’t miss out.

The next match is on July 19th.
