JULY 2025

*Inside: election news, event news, important reminders and more!*

## Lead Mining Now Complete on our Trap Range

Thank you to our current trap members for your patience while we did our routine 5-year lead mining on our trap range. The good news is that they are now done with this project and the trap range is open to our current trap members as usual. The next project will be to re-seed the mined area and we will let you know any dates/times that this will be performed in the near future.

We know this year took a little longer than we had planned due to the wet weather, but we greatly appreciate your patience and hope to see many of you out here again soon.

## July 29<sup>th</sup> – Come Join Us for our All-Members Annual Banquet

We have scheduled our 2025 All Members Annual Banquet and hope to see many of you at this annual event! Please mark your calendar for Tuesday, July 29<sup>th</sup>, beginning at 6:00 p.m. Members are encouraged to attend and bring a guest. For all our new members who have not experienced this annual banquet, we will:

- provide a great meal,
- enjoy fellowship with other Lincoln Ikes members,
- present a guest speaker or performer,
- elect our new board of directors for the 2025-2028 term,
- our bar will be available for you to purchase beverages,
- and provide some updates from our board and managers on things that are going on at our Lincoln Ikes.

Please RSVP to [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com) or 402.474.6555 so that we can get a head count for how many to plan on for the dinner.

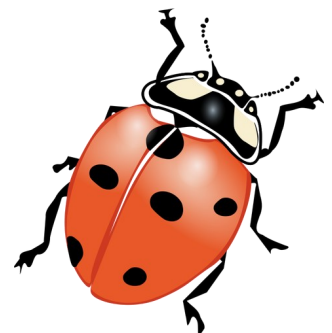

## Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests.

Show us what you've been up to and how you've been enjoying the great outdoors! Send to [lincikesnews@gmail.com](mailto:lincikesnews@gmail.com)!

## Ticks are Out - Protect Yourself and Your Pets

With this nicer weather, we have noticed more ticks no matter where you are. Please take necessary precautions to protect yourself and your pets when you are outside.

## Anyone have a Purple Martin House to Donate to the Ikes?

We have a pair of purple martins around our clubhouse that we'd love to make a permanent home. If you have a Purple Martin House and pole that you would like donate, please let us know at [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com). Thank you for considering!

## Member Volunteers Needed

To help maintain and improve our beautiful facilities, we are continually in need of various volunteers to use their talents and time around our ranges, clubhouse, etc. Some volunteer areas that we are seeking are the following:

- Lawn care/Mowing
- Volunteers to help with the replacement of Rifle/Pistol Range backer boards
- Emptying the trash throughout the facilities
- Extra cleaners within our clubhouse to help with window cleaning, cleaning/disinfecting tables and chairs, good thorough kitchen spring-cleaning, dusting, etc.

See another project around the club that you believe could improve our chapter? Please let us know and we are happy to look into it!

If you are interested in helping us fill this need, please contact Managers Craig and Natalie. In the meantime, if you come out to shoot and see a backer that needs replaced or other basic items, you can replace the used backer with a new backer whichever range you are on.

## Ticks are Out - Protect Yourself and Your Pets

With this nicer weather, we have noticed more ticks no matter where you are. Please take necessary precautions to protect yourself and your pets when you are outside.

## Ikes Kitchen Open for ATA Events

## Meet the Board Candidates!

### Craig Keaschall

After being appointed by the board for an open position mid-year, I am running for re-election to the Board of Directors. I have been a member of our Ikes since 2009. I have served, with my wife Natalie, as Facilities Managers of the Lincoln Ikes since 2016. I have also been involved with both youth and adult trap, Rifle and Pistol Committee, Safety Committee, Trap Committee, a RSO, helped with numerous work days, and spearheaded many projects to improve the club for its members and guests. The Lincoln Ikes is a place that is near and dear to me and my entire family. Your support in my re-election would be greatly appreciated. Thank you!!

### Neil Lunzmann

It has been my pleasure to serve 2 terms on the Izaak Walton Board of Directors and I'm asking for your vote for a third term.

I have been a member of Ike's for 20 years this coming January. I am a RSO and fill in for other RSO's on range 4 when needed. I have been the lead person for the Hunter Sight-In event for the past several years and recently started a match called the .22 Challenge Fun Match, which has gone over well. I enjoy shooting the Bowling Pin Match and more recently the Club's Benchrest Match.

Working as the club's groundskeeper allows me an opportunity to introduce myself to many of our members and get their opinions on what the organization needs to satisfy their shooting desires. Please feel free to look me up and let me know what you think.

### Dave Tunink

I have served on the Lincoln Izaak Walton League Board for the past 22 years and, while on the board, I have also served as the Vice President, President and as the Secretary for the past 12 years. During my time on the board, I have tried to provide direction and decisions that benefit all members. Since I have been a member, our chapter has grown both in membership and what our facility has to offer to its members. We have one of the finest facilities in the area and the positive response of our current members attracts new members and retains our current members. While my main shooting activities involve trap shooting (past head coach for the Pius Trap Club), Ikes Eastern Cornhusker Trapshooting Conference Shoot Director, past Cornhusker State Games Youth Trap Shooting Director, Trap Committee Chairperson, run the Summer and Fall Trap Leagues, and assist with the ATA shoots). I also am in charge of the maintenance of all the trap machines and related equipment. I also enjoy shooting on the rifle and archery ranges along with helping maintain the fishing pond. Still waiting on lots of rain!! Our chapter/facilities provide members a diverse recreational and shooting venue, greater than other chapters or clubs across the state, which we should be proud of and continue to maintain, protect and expand as needed. Protection of our chapter will be important for our future existence with the current development of the Highway 2 bypass and potential future development of the east by pass which will impact the chapter directly. While most members join to use our shooting facilities, I would like to see our chapter take a more active role in providing comments and support for various conservation and environmental issues that occur in Nebraska and nationally. Since I have retired, I find the Ikes as a great place to spend some of my free time as there is always something that needs some work. I look forward to continue to be active in the chapter in any manner that will help support the Izaak Walton League's mission.

### John Wittwer

This letter is to confirm my verbal agreement to stand for re-election to the Chapter 65 (Lincoln Ikes) Board of Directors. I have been a member of chapter 65 since about 2010. I have been very involved with our youth program, and with the State Division as a State Director. I also serve on the Shooting, Marksmanship and Game Management Committees at the national Level.

## Voting Information

Ballot used to cast your vote is the same regardless of how you submit it. The goal of the board is to provide every member with the opportunity to vote. To that end, the board has approved the following three methods:

### 1. Electronic Ballot

Complete the member information section of the ballot. Then, enter your vote for the candidate(s) of your choice. When your ballot is complete, forward your ballot to: [ikes.lincoln@gmail.com](mailto:ikes.lincoln@gmail.com). A confirmation email will be sent back to you confirming that we received it.

### 2. Paper Ballot by Mail

Complete the member information section of the ballot. Then, enter your vote for the candidate(s) of your choice.

Mail your completed ballot to: Election Committee  
PO Box 6755  
Lincoln, NE 68506

### 3. Paper Ballot in Person

Members who wish to attend the Annual Meeting, which we strongly encourage, can cast their ballot in person. You will be given a ballot to cast your vote for board seats and will be required to complete the member information section of the ballot, then select your vote for the candidate(s) of your choice.

The election committee will be the only people that will view your ballot. The election committee will check all ballots against the current membership roster.

Your vote will remain secret.

The election committee will only use it to check against the current membership roster to make sure that you only vote once. After the election results have been approved, all ballots will be destroyed and all emails deleted.

### Ballot Submission Deadline

Walk-in ballots must be received by the start of the annual board meeting. Electronic and Mail in ballots must be received no later than:

Lincoln, Nebraska

June 15th, 2025

*Match Results: IHMSA Match Director Ron TeSelle**Article by Chuck Pfitzer*

For the Fathers Day Match on June 15th, we had some of the best weather for shooting our Silhouette Match—but not without a little more heat than one would have liked. All in all, still a good day.

The match scores reveal the results of the good weather, with 4 perfect scores of 40/40. The shooters that shot them were Ron TeSelle, Randy TeSelle and Mike Alexander. “Good Shooting to the three shooters.” Ron gets top honors because one of the guns he was shooting he hadn’t shot for four years, and the other gun he hadn’t shot for two years. He shot two matches with two perfect scores of 40/40. Shooting a 40/40 gives Randy TeSelle a leg up, so the next 40 he shoots moves him up to the INT Class. Mike Alexander is always a tuff computer in the Matches he shoots.

July will be here before we know it, so have a great and safe 4th of July. See you at the July match!

If you have a lever action rifle, you are welcome to come and shoot the Lever Gun Match.

Next match on July 13th.
