Have you added a new range to your 2023 Membership?

Some of you have added a new range to your 2023 membership (for example, you have been a rifle/pistol member and have now added the trap range to your membership; or vice versa, a trap member, but have added the rifle/pistol ranges to your membership). Before you can have access to these new ranges that you have added, you will need to attend one of our orientation sessions. With the trap range, new members will also need the *LongRange* trap card. This requires a one-time \$20 deposit on the card as well. We have some orientations scheduled each month so if you are interested, please contact our office and we can provide you with that information.

Recycling Aluminum Cans

Would you or a non-profit group like to recycle aluminum cans? We have a large amount that is waiting for someone to take to recycling. If you are interested, please contact us at 402.474.6555 or ikes.lincoln@gmail.com. First come, first served.

No Longer Trap Member? Turn in your Trap Card for a Refund!

Some of our previous years' trap members have decided to drop that range for this 2023 membership year. If this is you and you have one of our *LongRange Trap Cards*, please return these trap cards and we will refund you the \$20 deposit that you paid when receiving it. You can mail it to us at Lincoln Ikes, PO Box 6755, Lincoln, NE 68506. Once we have received your *LongRange Trap Card*, we will contact our treasurer and he will mail you a check for your deposit. If you have any questions regarding this, please let us know.

Outdoor Youth Day a Great Success!

On 10 June, 2023, the Lincoln Izaak Walton League Chapter 65 held a very successful Outdoor Youth Day. After being shut down in 2020 due to COVID, we were able to hold a limited event in 2022 and this year on June 10, 2023. Despite smaller than anticipated attendance due to the weather and other area events, we were able to put on a full program at no charge to the participants.

After checking in, the participants and their sponsors were welcomed to the chapter by membership committee representative Wes Sheets. After welcoming our guests, Wes sent them to their first event. The participants were squadded to four events: archery, fishing, rifle shooting and trap shooting. At lunch time, the chapter Manager Natalie Keaschall and her crew provided a lunch for the participants, guests and volunteers. After lunch, the participants and volunteers returned to their last event. After this event was completed, the guests went back to the clubhouse for a gift of a Zebco fishing rod combo and a shopping bag filled with various outdoor articles and some basic fishing tackle.

If the happy smiling faces were any indication, the participants had a very good time. The volunteer Instructors, without exception, had stories to relate about participant reactions that told the same story of happy people and happy instructors.

Does your chapter want to help engage and mentor the next generation of conservationists and League leaders?

Then join us for a workshop led by young leaders driving innovation in youth leadership and engagement at the chapter level. Learn practical strategies for implementing science-based conservation projects and engaging partners such as schools, universities and scout units. See a complete listing of speakers on the [national website](#). Join us in Lincoln to hear and learn from these experts first-hand.

NOMINATIONS FOR THIS YEAR'S BOARD ELECTION

Wes Sheets:

I began my IKES membership nearly 27 years ago, about the time I retired from the Nebraska Game and Parks Commission. Having spent my professional career as a fisheries biologist and wildlife supervisor, I was attracted to the well-established IWLA organization by the outdoor conservation mission and to our chapters particular shooting opportunities. Over the several years, I have participated on the board as member, President, Treasurer and for many years as the membership chair. And during that time have seen the Lincoln Ikes grow from 300+ members to over 1150.

My goals—if elected—are to see the chapter remain as a significant recreational facility for the shooting sports and closely work with the IWLA hierarchy to affect Clean Water, Healthy Soils and Wildlife Conservation. And, secondarily, the future of our shrinking natural resources nationally (food producing) in the face of the ever-growing human population needs strong advocates for common sense conservation policies.

I challenge all members to consider increasing their personal involvement in administration of this fine organization to the extent that new faces are elected regularly to this board. **YOU TOO CAN HAVE A PLAY IN THE FUTURE!** Join a committee or be a candidate. And, without question, the health of Lincoln Ikes and its future will benefit.

Robert Sumner:

It has been my privilege to have been a member of Ikes for the last 3 years. In that time, I have come to see Ikes as more than just a place to go shooting. I have been an active volunteer on several projects that have been completed at our chapter, and have been a member of the Izaak Walton State Board of Directors for the last several months. I might still be learning the ropes at the state level, but I am committed to doing the best job I possibly can. I have also been a range officer for our range 4 through the previous winter and have been a range officer for the GSSF, and IDPA for the last several years.

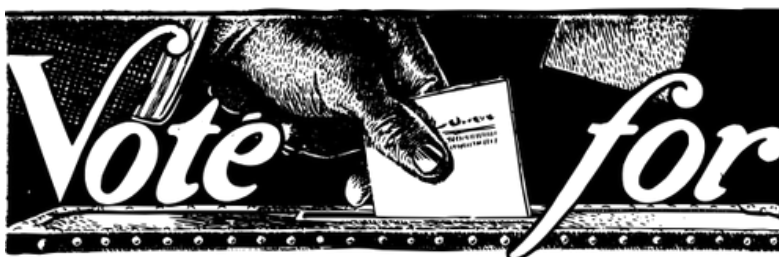

If you vote for me, I will do everything I can to help members new and old feel as welcome as I can, and would do my best to bring new ideas to the issues currently before the board, and other future topics.

Luke Wallace:

I am a current member of the Lincoln Izaak Walton League and have been on and off since about 2010. My main passion is bow hunting but I also enjoy shooting long guns, shotguns, and pistols. I enjoy hunting anything that is in season and enjoy hunting with my kids the most.

Through my time in the military and private sector, I have run ranges that covered everything from basic marksmanship of rifles and pistols to long range rifles and CQB.

I currently work in the outdoor industry as an agent for Whitetail Properties Real Estate where I assist clients in the buying and selling of farms, ranches, and recreational properties. I enjoy all things outdoors, especially when it involves passing on my passion to future generations.

NOMINATIONS FOR THIS YEAR'S BOARD ELECTION

Mike Streeter:

I spent most of my childhood in Rapid City, South Dakota (ages 5 through 14). I moved to Omaha in 1963 and graduated high school in Omaha (Westside High class of 1967). I enrolled in junior college in Norfolk, Nebraska, but found working and making money a better deal and more fun than attending school. So, I kind of forgot to attend school. OOPS. After one semester in December 1967, I received a letter from the draft board in Omaha that said "Greetings from the President of the United States." I had a choice of reporting for duty with the U.S. Army or US Marine Corps, so I followed my father's example and enlisted in the US Navy in January, 1968. I served in the U.S. Navy until March 1972. I attended the rank of Gunners Mate second class and did two tours of duty in Vietnam while aboard a Destroyer Escort out of San Diego, California.

My next challenge was to become a Nebraska State Trooper. I worked for the State Patrol from September 1972 until December 1999; during this time, I specialized in investigations and supervision of Troopers, attaining the rank of Lieutenant, and after 27 years of service with the Patrol I retired.

I took two days off for retirement, then I started a new job with the State of Nebraska as the Program administrator (hunter education coordinator) of the Nebraska Hunter Education Programs with the Game and Parks Commission, staying for 15 years until May 2014. I then retired for the second time. In total, I was serving the people of Nebraska for 47 years.

While I have always enjoyed what I was doing for a living, I want to spend quality time with my wife and our family, going hunting (turkey, deer, elk, small game), going fishing (for whatever is biting), riding my motorcycle (Gold Wing Trike) and doing other things I enjoy. I also have a desire to provide help and assistance for/to others, so I returned to work as a full time (professional) volunteer for several service organizations.

I have hunted and fished most of my life, and I am a life member of the NRA. Starting in 1986, I became a member of Izaak Walton League of American Lincoln Chapter. I am also a member of the American Legion, Gold Wing Road Riders Association, and American Legion Riders. I really enjoy motorcycle riding, shooting accurate rifles and any handgun (but mostly S&W revolvers), doing armature gunsmithing, leather work and reloading my own ammo.

Volunteer Efforts (past and present):

American Legion Post 105 Hickman.

Member, assist with Honor and Color Guard, assist with bartending at events, post work days, and events to raise funds to support the Post and the American Legion's mission.

American Legion Riders Post 3 Lincoln

Current chapter secretary and past 2 term commander, this is a motorcycle riding group made up of members of the American Legion Family (Legion, Sons and Auxiliary).

Nebraska Game and Parks Hunter and Bow Hunter Education

First certified as a volunteer instructor in 1990 to teach mainly the Hunt/Safe program classes 6 to 8 times each year. Each year, I have assisted with kid's day events in eastern Nebraska as an instructor in hunting and shooting clinics.

Lincoln Izaak Walton League

I assist when asked with the mission of Ikes by teaching Hunter Education, being a range safety officer, and helping with shooting and fishing instruction at kid's events, instruction for new hunters and shooters, hunter sight in days and range work days. Volunteered to fill a vacant board position in 2018. Have enjoyed serving on the board and would volunteer to continue with this effort as needed.

New Addition at Garber Lake

On Saturday, June 4th, with the support of Neil Lunzmann, Andrew Shields of Troop 32 Lincoln NE, installed fish habitat in Garber Lake for his Eagle Scout project. The artificial Christmas trees were created by repurposing polyethene tubing from irrigation systems donated by the following Reinke Irrigation businesses:

- Reinke Manufacturing Co. Inc. – Deshler, NE
- Carlson Irrigation - Shickley, NE
- South Central Irrigation – Deshler, NE

In the weeks leading up to the installation, Andrew and his father Michael Shields, with the help of others, cut the trunks to size and drilled the holes for the limbs of the trees. With a little trial and error, the best method was determined and helped the installation go smoothly. If all goes correctly the trees should be about 15" below water level when the pond is at capacity.

On June 4th, members of Troop 32 placed the trunks into pre-dug holes on the lakes bottom and installed the limbs to complete the fish habitat. This should create a safe haven for smaller fish which in turn will attract larger fish to the area.

A BIG thank-you to Neil Lunzmann for all his work and volunteering MANY hours to assist with this project.

Group picture details – left to right: Brenda Shields, James Heyne, Ben Tapling, Jason Krysl, Andrew Shields (Eagle Scout Project), Matt Tapling, Alex Krysl, Jamie Kathol, Dexter Kathol, Alex Wilke, Michael Shields, and Neil Lunzmann.
