Published monthly by the Lincoln Izaak Walton League

APRIL 2024

*Inside: Upcoming events, volunteer opportunities, match reports and more!*

## Newsletter Changes

After looking over our finances to find some areas where our organization can cut expenses, our Board of Directors voted at the February board meeting to no longer mail out our monthly newsletter. This way of receiving our newsletter was offered several years ago to our members; however, most have email addresses and or internet resources to access the same issues online, just not in a printed form.

Members can still print the newsletter from their home if they chose by going to our website at <https://lincolnikes.com/news-events/>. Thank you for understanding and helping us to keep our expenses as low as possible!

## Mark Your Calendars!

We have scheduled our 2024 Annual All Members Banquet for Saturday, July 20<sup>th</sup>, 2024. This year's event will be different as it is held on a weekend and we are hoping to bring in more members to enjoy this annual event. We will have the bar available for you to purchase beverages, will be hosting a nice dinner for our current members and a guest, having a speaker and updates to share about our chapter, and will be electing our new board members. More information will follow but please put this fun annual event on your calendars. We look forward to seeing many of you there!

## Target Backer Repair/Build Work Day

When: Sunday April 14th 1:00p.m

Where: Range two shed

What to bring: Hammers, flat bars, gloves, eye protection

We will be refacing, repairing, and rebuilding target backers for the rifle and pistol ranges. With enough people we should be able to get this done in a few hours. If you are able to attend please email our Rifle/Pistol Committee Chairman, Jacob Lonkoski, [lonko145@gmail.com](mailto:lonko145@gmail.com) so he knows how many to expect.

We look forward to seeing anyone that can help.

## Upcoming Lincoln Ikes Events

With the warmer weather coming soon, we will begin hosting many events, matches and leagues. These are open to our members and the public as well. More information and match fees can be found at the back of this newsletter with their respective flyers. If you have any questions regarding these events, please reach out to the Match or Shoot Directors listed on these flyers.

## Do You Have an Outdoor Photo to Share?

We are always looking for photos of hunting, shooting, fishing, outdoor adventures, conservation and more to share with Ikes members who have similar interests. Show us what you've been up to and how you've been enjoying the great outdoors!

Send to

[lincikesnews@gmail.com](mailto:lincikesnews@gmail.com)!

## New Equipment Coming Soon!

During the month of April, you will see the addition of fire fighting equipment being placed at ranges 1 – 4. This equipment will consist of a fire extinguisher and a device called a “Fire Slapper”. Why, you might ask, would a shooting range need this equipment?

As most everyone knows, Nebraska has issued a state wide ban on open burning due to the extremely dry condition.

Recently, a neighboring shooting range had a fire start—mostly likely due to the use of tracer ammo that got away from them—and the local fire department was needed to stop the blaze. In an effort to not repeat their error, the Ike’s Board of Directors has determined that this equipment be placed near the firing line and available immediately in case another fire should start. This might make the difference between stopping the fire and having it do considerable damage—not only to our facilities, but to neighboring fields and homes as well.

A reminder to all shooters that on page 6 of the rule book **PROHIBITS** the following items:

- Exploding or incendiary targets
- Tracer rounds or any other ammo which involves fire or flames

Hopefully this equipment will never be used, but it will be there if it’s needed.

## IHMSA Match Report: IKES Lincoln, Nebraska March 17, 2024

by Chuck Pfitzer

Jeff Shultz shot the first 40/40 of the 2024 IHMSA Season on Sunday. Good Shooting, Jeff!

This year Lincoln IKES will be hosting the State Championship Match in August. If you haven’t shot on the Lincoln Range, come shoot with us this Summer. The more the merrier. I hope to see all of you at the April 21st Match. The April Match will be both Air Pistol and Outdoor Matches weather pending.

Sunday’s Match was a light turnout. Hope to see some good weather for the April Match.

March 17th Match Scores

Event	Class	Shooter	Pistol	Score
<u>Air Pistol</u>				
UAS	INT	Jeff Shultz	IZH-46M	40
UAS	INT	Ron TeSelle	IZH-46M	37
UAS	AAA	Mike Alexander	TAU-7	Dn/F

## Monthly Calendars

Included in this newsletter are the calendars for the next two months.

These are as up to date as they can be before publishing; however, we get updates throughout the month.

To get the most up-to-date calendar, please always check the website calendar at <https://lincolnikes.com/news-events/calendar.html>.

**MOVING?**

You’ll save us nearly a dollar if you make sure we have your new address.

Call Wes (402-466-9040) or send an update to: LIWL, P.O, Box 6755, Lincoln, NE 68506

## LOST & FOUND

Please contact the office if you are missing any items.

## Volunteers Needed

We need more volunteers during our busy ECTC trap meets (March 16<sup>th</sup>, April 6<sup>th</sup>, and April 27<sup>th</sup>). If you are willing and available or would just like to discuss this further for more details, please contact our Trap Chairman Dave Tunink at [dtunink1971@gmail.com](mailto:dtunink1971@gmail.com).

These trap meets usually require volunteers from 7:00 a.m. until they are finished, which can be mid-to-late afternoon. Thank you for considering!

## Rifle/Pistol Member Volunteers Needed

We continue to look for rifle/pistol members volunteers interested in helping us replace used backer boards and empty the trash on the ranges when needed. These volunteers would check Ranges 1-2-3 periodically to see if any backers are needing replaced. If so, the volunteer(s) would take down the old backers, put them in the pile between Range 2 and 3, and then replace them with the new backers from there as well.

If you are interested in helping us fill this need, please contact Managers Craig and Natalie. In the meantime, if you come out to shoot and see a backer that needs replaced, you can replace the used backer with a new backer from this area.

## Basin Runoff Remains Low

*by Paul Lepisto. Photo by Paul Lepisto.*

Runoff in the upper Missouri River basin continues to be below average. This winter ranked as the warmest on record for the contiguous U.S.

February ranked as the warmest on record, and it also ranked as the third-driest ever recorded. The warm temperatures caused an early melt of the less-than-average plains and mountain snowpack.

Runoff above Sioux City is predicted to be 17 million acre feet (MAF). That would be only 66 percent of the average. The March estimate is down from February's 18.8 MAF. The runoff forecast is based on soil moisture, snowpack and long-term outlooks. Snow drought in areas of the West improved, but northern Wyoming and western Montana are still in snow drought. [Learn more about the mountain snowpack.](#)

In the lower basin, severe weather hit areas of Kansas and Missouri. Areas of Iowa remain very dry. The National Weather Service issued several red flag warnings due to high winds, extremely dry vegetation, unseasonably warm temperatures and low humidity. A couple of systems brought rain and snow to areas of the basin late in the month.

How the U.S. Army Corps of Engineers will manage the river and reservoirs with the expected low runoff was discussed during the Annual Operating Plan (AOP) meetings held in the upper basin late in the month. I attended the March 27 meeting in Fort Pierre. Lower basin meetings will be held in April. We'll submit comments on the Corps' planned 2024 operation of the Missouri River System in the coming days.

# 2024

# YOUTH

# SUMMER

# TRAP LEAGUE

## SEASON INFORMATION:

Competition will consist of one round of 16-yard and one round of handicap from a pre-determined yard-line.

This year, the youth trap league will run for **8 weeks** as follows:

<b>Week 1</b>	<b>(May 20)</b>	25 from the 16-yard line, 25 from the 18-yard line
<b>Week 2</b>	<b>(June 3)</b>	25 from the 16-yard line, 25 from the 18-yard line
<b>Week 3</b>	<b>(June 10)</b>	25 from the 16-yard line, 25 from the 18-yard line
<b>Week 4</b>	<b>(June 17)</b>	25 from the 16-yard line, 25 from the 20-yard line

*June 17<sup>th</sup> is our "Family Fun Night" when any family member may shoot the last 13 of the 25 rocks at 16 yards for a combined family score. This is not required but encouraged. If a family member does participate, a bonus of 3 rocks will be added to the combined score of the youth shooter and the family member's 16-yard score.*

<b>Week 5</b>	<b>(June 24)</b>	25 from the 16-yard line, 25 from the 20-yard line
<b>Week 6</b>	<b>(July 1)</b>	25 from the 16-yard line, 25 from the 20-yard line
<b>Week 7</b>	<b>(July 8)</b>	25 from the 16-yard line, 25 from the 23-yard line
<b>Week 8</b>	<b>(July 15)</b>	25 from the 16-yard line, 25 from the 23-yard line

If you miss a week, handicaps will be shot from the yard line scheduled for the current week. For example, if you miss Week 3 and come back to shoot on Week 4, you will shoot all of your handicaps from that day's yard-line which would be 20-yard line. **You will need to make up the missed week(s) by Week 7 – no exceptions.**

**SHOOTING DATES:** Monday Evenings; May 20, June 3, 10, 17, 24 and July 1, 8 and 15

**SHOOTING TIME:** 6:00 pm - 8:00 pm

**COST:** \$96 for the season  
(2 rounds of 25 targets per night: 8 nights x \$12 per night = \$96)

**REGISTRATION:** A registration form will be completed by the youth shooter the first night he/she shoots.

**All fees for the season are due by May 20<sup>th</sup> – no exceptions.**

### REGISTRATION:

A small registration form will need to be completed prior to shooting. The form will request basic information (name, address, email, phone, parent's phone) in order to communicate weekly scores and keep families up to date on summer league information including the July banquet.

### PARENT SUPERVISION & VOLUNTEERS NEEDED:

We will rely on parents to help as scorers and loaders, so please stick around and help throughout the evening. Especially those with young shooters, we highly encourage parents to stay and help/supervise their children. This isn't an activity where children are dropped off and left unsupervised. In past years, we are generally done by around 8:00 pm, so it's a pretty quick night.

### INCLEMENT WEATHER:

We will generally have our league nights unless we have severe weather which would include thunderstorms. An update of any changes or cancelations will be posted to our Facebook page, **Lincoln Ike's Trap**, by **4:00 p.m.** on that Monday League night. Please like this page and follow it for any updates or notices.

### AWARDS CATEGORIES\*:

- High 16 Yard Average - Senior Male, Senior Female, Junior Male, and Junior Female
- High Handicap Average - Senior Male, Senior Female, Junior Male, and Junior Female
- High Overall Average - Senior Male, Senior Female, Junior Male, and Junior Female

*\* Based on the number of competitors, runner-up awards may also be presented. In addition, we will have trophies for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in each category.*

Awards are based on individual competition. Individuals will be restricted to winning only one award.

### 2024 YOUTH TRAP LEAGUE AWARDS BANQUET ON JULY 22<sup>ND</sup>:

An awards presentation/end of season banquet will take place on Monday, July 22<sup>ND</sup>. The meal will be served at 6:00 pm followed by an awards presentation. Many awards will be presented, so please put this on your calendar! More details to follow.

We hope to see many of you join us! Please call our Summer Youth Trap League Leaders if you have any questions.

Setup starts at 8:00 a.m. with the required safety briefing at 8:30 a.m. The match will be complete by 4:00 p.m.

### All Shooters Welcome

\$10 entry fee per shooter (additional guns are \$2 each)

Register in person at the event or just come watch the competition!

The game is quite simple. There are targets cut in the shape of four animals of progressive size set at four distances. For the .22 and field pistol the Chickens are at 25 meters, pigs at 50, turkeys at 75 and rams at 100. In the big bore classes the chickens are at 50 meters the pigs at 100 meters, turkeys at 150 meters and the rams at 200 meters. There are banks of five animals at each firing point, which are shot through twice each for a total 40 round course of fire. There is a thirty second loading period followed by a two-minute firing time for each bank of five targets. After shooting through each set of animals twice, you move to the firing point for the next animal. The average course of fire takes about 30 to 40 minutes.

We shoot three disciplines here at the Ikes, big bore, small bore (.22) and field pistol (center fire, straight walled cases no longer than 1.290"). Within these disciplines there are enough categories to accommodate almost any handgun you may own, either with or without a scope.

It is set up so that you can shoot several guns per match if you want. Your first score determines your class so you are only shooting against shooters of like ability.

AN EVENT YOUR FAMILY & FRIENDS WILL REMEMBER FOR A LIFETIME!

# HISTORY. HERITAGE. MARKSMANSHIP.

Project Appleseed events teach traditional rifle marksmanship skills while reconnecting Americans of all ages and backgrounds to the people and events of the founding of our country. Come join us and learn how to shoot properly in a safe, family-friendly environment. Already an experienced marksman? Hone your skills and challenge yourself on the Appleseed Qualification Test. Maybe you'll earn your Rifleman patch.

April 20-21 @ Izaak Walton League

Appleseed will teach you the skills to quickly shoot accurate groups in limited time using only a sling to steady you, while shooting from the Standing, Seated, and Prone position.

If you are up for the challenge to learn and grow as a Rifle Markman and earn your Rifleman Patch. Scan the QR Code, Go to [Appleseedinfo.org](http://Appleseedinfo.org) and search of events, or Contact Jeff @ 402-416-1778 text or leave message, or Morgan @ 402-853-6479 for more information.
