

2024 SUMMER TRAP LEAGUE

Teams can submit their rosters by either email or USPS (no team meeting). Sponsor fees can be paid at that time or the first night of league. Please provide me your team's name two weeks prior to the first night of league. The first night of shooting is scheduled to begin on May 9th and the Summer League is scheduled to end on August 22nd, thus a 15-week season (rain out makeup date on August 29th if needed). The Fall League is scheduled to run from September 5th through October 24th, thus a season of 8 weeks. Currently the sponsor fees will remain at \$85 per team for the Summer League and \$40 for the Fall League as well as the cost per round of \$8. Teams that are entirely youth shooters will be charged \$50 and \$25 respectively.

During the Summer Trap League season, shooting typically starts at 6:30 p.m. and ends around 9:00-9:30 p.m. on Thursday nights. The team that shoots at 6:30 p.m. one week will shoot at 7:00 p.m. the next week. Only the team members on the roster are allowed to shoot. Scores the first two weeks of the Summer League along with team's shooting ability in the past will be used to classify. (AAA, AA, A, B, etc.) The first round will be from the 16-yard line and based on the team score, a handicap yardage will be assigned. Teams will be assigned on who they are competing against which will change every week. One point will be assigned for the 16-yard, handicap and overall scores for a potential total of 3 points. All ties will split the point - giving both teams $\frac{1}{2}$ the point. Team members need to have a minimum of one round of 16-yard targets and one round of handicaps during the first two weeks of qualifications. The Fall League will use the Lewis system to establish points with teams shooting at the same time each week.
