During the Summer Trap League season, shooting typically starts at 6:30 p.m. and ends around 9:00-9:30 p.m. The team that shoots at 6:30 p.m. one week will shoot at 7:00 p.m. the next week. Only the team members on the roster are allowed to shoot. Scores the first two weeks of the Summer League along with team's shooting ability in the past will be used to classify (AAA, AA, A, B, etc.). The first round will be from the 16-yard line and based on the team score, a handicap yardage will be assigned. Teams will be assigned on who they are competing against which will change every week.

One point will be assigned for the 16-yard, handicap and overall scores for a potential total of 3 points. All ties will split the point - giving both teams ½ the point. Team members need to have a minimum of one round of 16-yard targets and one round of handicaps during the first two weeks of qualifications. The Fall League will use the Lewis system to establish points with teams shooting at the same time each week.
